The Dharma Manifesto A New Vision For Global Transformation:

The Dharma Manifesto Sri Dharma Pravartaka Acharya, 2013-11-02 The Dharma Manifesto is a call to action for those who seek a form of social and political action that has a firm spiritual foundation but which also challenges the prevailing social and religious order in the postmodern West It does not merely offer criticism it is also a blueprint for how a national community founded upon Dharmic principles could operate in the twenty first century Its author defines the term Dharma which in the ancient Sanskrit language means Natural Law in an unconventional way For those who embrace Dharma Nationalism Dharma is predicated upon the pressing need for the organic and munificent resacralization of culture and of all human endeavor as well as the manifestation of the highest potentials attainable by every individual in society in accordance with transcendental principles Thus Dharma does not only refer to traditions with which it is usually associated such as Hinduism and Buddhism but also to the Taoist Confucian Zoroastrian Native American and European pagan traditions all of which this book holds share a common basic worldview This book is therefore a resource for those who want to carry out both an inward contemplative revolution within themselves as well an outer social revolution in the world around them in harmony with one another It is intended to serve as a systematic program signaling the beginning of a what will hopefully be a new era in humanity s eternal yearning for meaningful freedom and happiness
