The Dragons Reluctant Bride A Paranormal Dragon Shifter Romance:

Bride of the Dragon: Paranormal shifter romance Georgette St. Clair, Insurance investigator Kelly Henderson didn't mean any harm when she sneaked in and replaced the Fair Maiden at the annual Tri Valley St George And The Dragon festival. She just needed to get close enough to fearsome fire dragon Gabriel Kingsley to grill him about the theft of the Dragonsblood Ruby. Notorious jewel thief Gabriel's been dodging her forever but she's got him now. Or is it the other way around? If only she'd studied the customs of the local dragon clans a little more. Turns out that the Fair Maiden is required to marry the dragon in the St George skit. But the family of the real Fair Maiden is burning mad and out for blood and if Kelly won't betray her, calling Gabriel and his family are set to lose something much more precious than jewels.

Taken by a Dragon: A Forced Proximity Fated Mates Dragon Shifter Paranormal Romance Felicity Heaton, 2015-03-10

Possessed by a need to save a beautiful Amazon warrior from the vision he witnessed, Loke snatched her from the midst of the battle between the Third and Fifth realm of the demons and carried her to his home deep in the black mountains of Hell to protect her. But as the fierce little female awakens, he finds she's anything but grateful and his dragon instincts roar to life to warn she might be more to him than an enemy. She might be his fated female. Anais remembers meeting a handsome warrior in the heat of battle, a man who was her enemy but who looked at her with eyes that held dark heat and wicked promises. When she wakes to find that same dragon shifter has taken her captive, desire is the last thing on her mind but escaping him to return to Archangel, the hunter organisation she works for, sounds less than appealing when he reveals the reason he took her to stop her from dying. Can Loke protect Anais from the dangers of his realm and how far will he go to save her from the future he keeps witnessing? The Dragon's Maiden: A Dragon Shifter Romance (Falling For a Dragon Book 2) Mac Flynn, 2023-02-14

Kate and her dragon protector Ros have escaped the domain of the King of Shadows, but their troubles are far from over. Kate's role as the person to lift the world out of darkness is still in doubt, so Ros suggests they look into the prophecy. Their journey takes them along the Paths of the Forgotten, a labyrinth of abandoned trails that lead to their destination: the ancient library of Mathisi. The records within those walls were saved by the ravages of time by the Logos, an old family who were once part of the civilization that built the majestic ruins adjacent to their library. However, all is not well on the Paths. A strange sickness afflicts the villagers near the library, one which leaves them as nothing more than zombies eager to consume a particular herb found only in their forest. As the situation worsens, the pair find that there's more than just shadows that haunt the ruins and the village. Something far darker lurks in the heart of the ancient city, something only Kate can discover, but only together can they destroy the evil before they become its next victims.
