

THE EARL OF LOUISIANA

A. J. LIEBLING

FOREWORD BY T. HARRY WILLIAMS

WITH A NEW INTRODUCTION BY JONATHAN YARDLEY

Updated Edition

The Earl Of Louisiana Southern Biography Series

R.R. Bowker Company

The Earl Of Louisiana Southern Biography Series:

The Earl of Louisiana A. J. Liebling, 2008-02-01 In the summer of 1959 A J Liebling veteran writer for the New Yorker came to Louisiana to cover a series of bizarre events that began with Governor Earl K Long s commitment to a mental institution Captivated by his subject Liebling remained to write the fascinating yet tragic story of Uncle Earl s final year in politics First published in 1961 *The Earl of Louisiana* recreates a stormy era in Louisiana politics and captures the style and personality of one of the most colorful and paradoxical figures in the state s history This updated edition of the book includes a foreword by T Harry Williams Pulitzer Prize winning author of *Huey Long A Biography* and a new introduction by Pulitzer Prize winning critic Jonathan Yardley that discusses Liebling s career and his most famous book from a twenty first century perspective

The Earl of Louisiana Abbott Joseph Liebling, 1970 *Earl K. Long* Michael L. Kurtz, 1990 *Russell Long* Michael S. Martin, 2014-05-05 Russell Long 1918 2003 occupies a unique niche in twentieth century United States history Born into Louisiana s most influential political family and son of perhaps the most famous Louisianan of all time Long extended the political power generated by other members of his family and attained heights of power unknown to his predecessors including his father Huey The Long family and its followers pervaded Louisiana politics from the late 1920s through the 1980s Being a Long especially a son of Huey Long preordained Russell for a political life His father s assassination set the wheels in motion for his eventual political career In 1948 Russell followed his father and his mother to a seat in the United States Senate In due course he rose to the politically eminent positions of majority whip and chair of the Senate Finance Committee *Russell Long A Life in Politics* examines Long s public life and places it within the context of twentieth century Louisiana southern and national politics In Louisiana Long s politics arose out of the Longite Anti Longite period of history Yet he transcended many of those two groups factional squabbles In the national realm Long s politics exhibited a working philosophy that straddled the boundaries between New Deal liberalism and southern conservatism By the time of his retirement in early 1987 he had witnessed the demise of one political paradigm the New Deal liberal consensus and the creation of one dominated by a new style of conservatism

Louisiana History, 2005 **American Lion** Jon Meacham, 2009-04-30 The definitive biography of a larger than life president who defied norms divided a nation and changed Washington forever Andrew Jackson his intimate circle of friends and his tumultuous times are at the heart of this remarkable book about the man who rose from nothing to create the modern presidency Beloved and hated venerated and reviled Andrew Jackson was an orphan who fought his way to the pinnacle of power bending the nation to his will in the cause of democracy Jackson s election in 1828 ushered in a new and lasting era in which the people not distant elites were the guiding force in American politics Democracy made its stand in the Jackson years and he gave voice to the hopes and the fears of a restless changing nation facing challenging times at home and threats abroad To tell the saga of Jackson s presidency acclaimed author Jon Meacham goes inside the Jackson White House Drawing on newly discovered family letters

and papers he details the human drama the family the women and the inner circle of advisers that shaped Jackson's private world through years of storm and victory One of our most significant yet dimly recalled presidents Jackson was a battle-hardened warrior the founder of the Democratic Party and the architect of the presidency as we know it His story is one of violence sex courage and tragedy With his powerful persona his evident bravery and his mystical connection to the people Jackson moved the White House from the periphery of government to the center of national action articulating a vision of change that challenged entrenched interests to heed the popular will or face his formidable wrath The greatest of the presidents who have followed Jackson in the White House from Lincoln to Theodore Roosevelt to FDR to Truman have found inspiration in his example and virtue in his vision Jackson was the most contradictory of men The architect of the removal of Indians from their native lands he was warmly sentimental and risked everything to give more power to ordinary citizens He was in short a lot like his country alternately kind and vicious brilliant and blind and a man who fought a lifelong war to keep the republic safe no matter what it took

The Southern Partisan , **Voices in the Storm** Karen E. Fritz,1999 *Voices in the Storm* examines the significance of oratory in the Confederacy and also explores the nuances and subtle messages within Confederate speeches Examining metaphor argument and figures of speech Fritz finds some surprising shifts within the Civil War South Her research indicates that four years of bloody conflict caused southerners to reconsider beliefs about their natural environment their honor their slaves and their northern opponents Between 1861 and 1865 southerners experienced shattering calamities as they waged their unsuccessful struggle for independence Confederate orators began the war by outlining a detailed and idealized portrait of their nation and its people During the conflict they gradually altered the depiction increasingly adding references to the grotesque and discordant as all around them southerners were losing homes and family members in the maelstrom that consumed their cities and fields polluted their rivers and destroyed their social order Oratory played a fundamental role in the southern nation whose citizens encountered it almost daily at military functions before battle in church and even while lying in hospital beds or strolling on city streets Because Confederate citizens frequently commented on oratory or spoke out during speeches Fritz also considers audience behavior and response By the end of the war speakers described their nation in savage terms applying to it expressions and characteristics once reserved only for the North This analysis thus indicated that southerners listened as orators gradually shaped them and their nation into rhetorical facsimiles of their enemy suggesting that separation at some level effected reunion

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1969 **The Alabama Review** ,1992 *Monographic Series* Library of Congress,1981 **The Southern Manifesto** John Kyle Day,2014-07-09 On March 13 1956 ninety nine members of the United States Congress promulgated the Declaration of Constitutional Principles popularly known as the Southern Manifesto Reprinted here the Southern Manifesto formally stated opposition to the

landmark United State Supreme Court decision *Brown v Board of Education* and the emergent civil rights movement This statement allowed the white South to prevent Brown s immediate full scale implementation and for nearly two decades set the slothful timetable and glacial pace of public school desegregation The Southern Manifesto also provided the Southern Congressional Delegation with the means to stymie federal voting rights legislation so that the dismantling of Jim Crow could be managed largely on white southern terms In the wake of the Brown decision that declared public school segregation unconstitutional seminal events in the early stages of the civil rights movement like the Emmett Till lynching the Montgomery bus boycott and the Autherine Lucy riots at the University of Alabama brought the struggle for black freedom to national attention Orchestrated by United States Senator Richard Brevard Russell Jr of Georgia the Southern Congressional Delegation in general and the United States Senate s Southern Caucus in particular fought vigorously and successfully to counter the initial successes of civil rights workers and maintain Jim Crow The South s defense of white supremacy culminated with this most notorious statement of opposition to desegregation The Southern Manifesto Massive Resistance and the Fight to Preserve Segregation narrates this single worst episode of racial demagoguery in modern American political history and considers the statement s impact upon both the struggle for black freedom and the larger racial dynamics of postwar America
