The Culture And Social Institutions Of Ancient Iran:

The Culture and Social Institutions of Ancient Iran Muhammad A. Dandamaev, Vladimir G. Lukonin, 2004-11-11 The authors look in detail at the highly developed social institutions of the Achaemenid Empire **The Culture and Social Institutions of Ancient Iran** M. A. Dandamaev, 1989 Continuity in Iranian Identity Fereshteh Davaran, 2010-02-26 Despite changes in sovereignty and in religious thought certain aspects of Iranian culture and identity have persisted since antiquity This book examines the history of Iran from its ancient roots to the Islamic period paying particular attention to pre Islamic Persian religions and literature and their influence upon later Muslim practices and precepts in Iran The Temple Administration and the Levites in Chronicles Yeong Seon Kim, 2023-07-21 The author explored sections on gatekeepers treasures and tax collectors from the book of Chronicles in order to examine whether the selected passages can be used as a source to reconstruct the temple administration in the post exilic period The author concludes that the Chronicler s description of the temple administration especially his incorporation of non priestly cultic personnel among the Levites must be considered to comprise an argument of an ideal temple administration The Chronicler s ideal was grounded in his creative exegetical approaches to Pentateuchal traditions and his responses to the contemporary debate about the legitimate priesthood among different priestly circles **A Companion to the Achaemenid Persian Empire, 2 Volume Set** Bruno Jacobs, Robert Rollinger, 2021-08-31 A COMPANION TO THE ACHAEMENID PERSIAN EMPIRE A comprehensive review of the political cultural social economic and religious history of the Achaemenid Empire Often called the first world empire the Achaemenid Empire is rooted in older Near Eastern traditions A Companion to the Achaemenid Persian Empire offers a perspective in which the history of the empire is embedded in the preceding and subsequent epochs In this way the traditions that shaped the Achaemenid Empire become as visible as the powerful impact it had on further historical development But the work does not only break new ground in this respect but also in the fact that in addition to written testimonies of all kinds it also considers material tradition as an equal factor in historical reconstruction This comprehensive two volume set features contributions by internationally recognized experts that offer balanced coverage of the whole of the empire from Anatolia and Egypt across western Asia to northern India and Central Asia Comprehensive in scope the Companion provides readers with a panoramic view of the diversity richness and complexity of the Achaemenid Empire dealing with all the many aspects of history event history administration economy society communication art science and religion illustrating the multifaceted nature of the first true empire A unique historical account presented in its multiregional dimensions this important resource deals with many aspects of history administration economy society communication art science and religion it deals with topics that have only recently attracted interest such as court life leisure activities gender roles and more examines a variety of available sources to consider those predecessors who influenced Achaemenid structure ideology and self expression contains the study of Nachleben and the history of perception up to the present day offers a spectrum of opinions in disputed

fields of research such as the interpretation of the imagery of Achaemenid art or questions of religion includes extensive bibliographies in each chapter for use as starting points for further research devotes special interest to the east of the empire which is often neglected in comparison to the western territories Part of the acclaimed Blackwell Companions to the Ancient World series A Companion to the Achaemenid Persian Empire is an indispensable work for students instructors and scholars of Persian and ancient world history particularly the First Persian Empire *Identification of Darius the Mede* George Law, 2010-06-04
