it covers a wide range of genres beyond the academic essay narrative profile review ethnography argument and more all with a distinctive approach and personality that is lacking in other texts It also reinforces the assumption that genres are malleable with a new chapter on repurposing or re genre ing Students love that this book helps them learn to write by pursuing their own curiosity Teachers appreciate that Ballenger provides ample opportunities for students to develop the habits of mind necessary to become critical thinkers and curious writers Personalize learning with MyWritingLab tm MyWritingLab is an online homework tutorial and assessment program designed to work with this text to engage students and improve results Within its structured environment students practice what they learn test their understanding and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts 0134150791 9780134150796 The Curious Writer Concise Edition Plus MyWritingLab without Pearson eText Access Card Package Package consists of 0133933296 9780133933291 MyWritingLab without Pearson eText Access Card 013393330X 9780133933307 MyWritingLab without Pearson eText Inside Star Sticker 0134120701 9780134120706 The Curious Writer Concise Edition     **Curious Researcher** Bruce Ballenger, Branscomb, 1998-10-01     The Curious Researcher Bruce P. Ballenger, 2001 The Curious Researcher 3 e offers a fresh approach to research by reminding readers that curiosity is still the best reason for uncovering information and ideas This author provides ample proof that the research process like the writing process can be full of rewarding discoveries Using a variety of examples from both professional writers and students this book shows that good research and lively writing do not have to be mutually exclusive Readers are encouraged to not only develop sound research and analytical skills but to examine ways to bring their writing to life even though they re writing with facts Though The Curious Researcher stands apart from similar texts because of its motivational qualities it also features full explanations of the technical aspects of the research paper MLA citation conventions are given extensive treatment and APA standards are also explained in the Appendix For writers of research papers     **The Curious Researcher** Bruce Ballenger, 2014-08-02 Featuring an engaging direct writing style and inquiry based approach this popular research guide stresses that curiosity is the best reason for investigating ideas and information An appealing alternative to traditional research texts The Curious Researcher stands apart for its motivational tone its conversational style and its conviction that research writing can be full of rewarding discoveries Offering a wide variety of examples from student and professional writers this popular guide shows that good research and lively writing do not have to be mutually exclusive Students are encouraged to find ways to bring their writing to life even though they are writing with facts A unique chronological organization sets up achievable writing goals while it provides week by week guidance through the research process Full explanations of the technical aspects of writing and documenting source based papers help students develop sound research and analysis skills The text also includes up to date coverage of MLA and APA styles     **Beyond Note Cards** Bruce P. Ballenger, 1999 Any teacher driven to despair by a stack of student research papers will find welcome inspiration in

Beyond Note Cards Since the research paper first became a fixture in the composition classroom no other assignment has caused as much dread in students By putting it in historical context Ballenger offers new insight into the problems and promise of the research paper and practical advice on how to revive it Beyond Note Cards examines the best of the existing scholarship to offer a fresh theoretically sound approach to teaching the research paper Drawing on the recent movement to encourage inquiry based learning Ballenger argues that the spirit of inquiry should be at the heart of research paper instruction not the usual preoccupation with teaching the paper s formal qualities While Ballenger deals with theory his book is never dry Through case studies of his students and often revealing autobiographical anecdotes the author weaves a fascinating story about the evolution of the research paper historically and in his own classroom The book also contains many practical features including classroom tested exercises and assignments to help students become better researchers and research writers original survey information that instructors can use to discuss the assignment with their own students a special section on how to teach the double entry journal as part of a research assignment a helpful appendix that explores Internet research and new approaches to note taking Beyond Note Cards is an essential resource for instructors who are anxious to build connections between personal writing assignments and academic writing by highlighting the habits of mind that are present in both In addition teachers who already use Ballenger s popular student handbook *The Curious Researcher* Allyn Bacon will discover new ways to supplement it

*The Curious Writer (with MyCompLab)* Bruce Ballenger, 2004-11 The Curious Writer by Bruce Ballenger is an assignment oriented all in one rhetoric reader handbook that stresses the connections between personal and academic writing Writing in a friendly accessible voice that embodies his philosophy the author emphasizes inquiry as a driving force behind the writing process and suggests that writers who begin with questions rather than answers are more likely to approach writing as a method of discovery and learning The Curious Writer treats research revision and critical reading skills of both texts and visuals as organic components of every writing process Each of the eight writing assignment chapters offers integrated coverage of these three key activities and also provides special attention to the Web as a resource for invention and research The readings include 28 by a diverse range of professional writers 17 by student writers 9 final drafts and 8 early drafts and numerous excerpts and shorter examples by both professionals and students The four color art program includes 50 illustrations ranging from fine art and photographs to magazine advertisements and Web pages Pedagogy includes eight full length writing assignments numerous shorter journal exercises and helpful boxed features such as Inquiring Into the Details Writing With Computers and One Student s Response
