

The Dawn of Armageddon

A black and white photograph of a crucifix in a church. The crucifix is the central focus, with Jesus Christ on the cross. Behind the crucifix, a large window is visible, through which a bright, hazy light is shining, suggesting a sunrise or sunset. The light creates a strong silhouette effect on the crucifix. The church's architecture is visible, including the ornate carvings on the window frame and the columns on either side of the window. The overall mood is dramatic and spiritual.

The Dawn Of Armageddon Coming Of The Apocalypse Book 1:

A Testimony of Jesus Christ - Volume 2 Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides *A Is for Armageddon* Richard Horne, 2010-12-21 A Is for Armageddon is a stunningly illustrated eye opening informative and wickedly entertaining catalog of disasters that may possibly culminate in the end of the world as we know it Richard Horne author of 101 Things to Do Before You Die and illustrator of the blockbuster New York Times bestseller The Dangerous Book for Boys as well as the covers for J K Rowling's Harry Potter School Books for Comic Relief Fantastic Beasts and Where to Find Them and Quidditch Through the Ages combines science religion and sociology with good old fashioned paranoia to explore humankind's dire future From the Four Horsemen of the Apocalypse to super volcanoes A Is for Armageddon is a delectable compendium of doom and in plenty of time for 2012 **On the Road to Armageddon** Timothy P. Weber, 2004 Examines dispensationalism the evangelical relationship with Israel and how it affects American politics regarding the Middle East **The Publisher**, 1917 Church Schism & Corruption, **The Publishers' Circular and Booksellers' Record**, 1917 **A New Divinity** Mark Jones, Michael A. G. Haykin, 2018-10-01 This is a study on Reformed theological debates during the Long Eighteenth Century in Britain and New England By Long a period that goes beyond 1700 1799 is in view This examination begins just before the eighteenth century by looking at the Neonomian Antinomian debate in the 1690s This is followed by the Marrow Controversy in Scotland in the eighteenth century After that the authors address the ecclesiological debates between George Whitefield and the Erskines The doctrine of free choice concerning Edwards and his departure from classical Reformed orthodoxy is highlighted next followed by reflections on the Edwardseans and the atonement Returning to Britain again the volume provides a study on hyper Calvinism and on eschatological differences among key figures in the eighteenth century More specific debates in particular Baptist circles are noted including the battle over Sandemanianism and the Trinitarian battles fought by Andrew Fuller and others Returning to ecclesiology a discussion on the subscription controversy in Philadelphia in the early eighteenth century and an analysis of the debate about the nature of revival in New England close this volume **Immigration and Apocalypse** Yii-Jan Lin, 2024-11-26 Tracing the metaphor of America as the Book of Revelation's New Jerusalem Yii Jan Lin shows how apocalyptic narratives have been used to exclude unwanted immigrants America appeared

on the European horizon at a moment of apocalyptic expectation and ambition Explorers and colonizers imagined the land to be paradise the New Jerusalem of the Bible s Book of Revelation This groundbreaking volume explores the conceptualization of America as the New Jerusalem from the time of Columbus to the Puritan colonists through U S expansion and from the eras of Reagan to Trump While the metaphor of the New Jerusalem has been useful in portraying a shining God blessed refuge with open gates it has also been used to exclude attack and criminalize unwanted peoples Yii Jan Lin shows how newspapers political speeches sermons cartoons and novels throughout American history have used the language of Revelation to define immigrants as God s enemies who must be shut out of the gates This book exposes Revelation s apocalyptic logic at work in the history of Chinese exclusion the association of the unwanted with disease the contradictions of citizenship laws and the justification for building a U S Mexico wall like the wall around the New Jerusalem This book is a fascinating analysis of the religious biblical and apocalyptic in American immigration history and a damning narrative that weaves together American religious history immigration and ethnic studies and the use of biblical texts and imagery
