The Day To Day Life Of Albert Hastings

Mike Davis

The Day To Day Life Of Albert Hastings:

The Day-to-Day Life of Albert Hastings ,2007-07-05 This title chronicles the life of Albert Hastings an octogenarian living alone in a small flat in Wales Bert s writing is paired with Deveney s photographs and together they tell a story of fulfilment loneliness hope and beauty The Passionate Photographer Steve Simon,2011-07-20 If you ve got a love and passion for photography and a feel for your camera gear and settings yet your images still fall short The Passionate Photographer will help you close that disappointing and frustrating gap between the images you thought you took and the images you actually got This book will help you determine what you want to say with your photography then translate those thoughts and feelings into strong images It is both a source of inspiration and a practical guide as photographer Steve Simon distills 30 years of photographic obsession into the ten crucial steps every photographer needs to take in order to become great at their passion Simon s practical tips and advice are immediately actionable designed to accelerate your progress toward becoming the photographer you know you can be Core concepts include The power of working on personal projects to fuel your passion and vision Shooting a large and targeted volume of work which leads to a technical competence that lets your creativity soar Learning to focus your concentration as you shoot and move outside your comfort zone past your fears toward the next great image Strategies for approaching strangers to create successful portraits How to edit your own work and seek second opinions to identify strengths and weaknesses offering opportunities for growth and improvement with a goal of sharing your work with the world The critical need to follow see and capture the light around you Along the way Simon offers inspiration with Lessons Learned culled from his own extensive experience and archive of photojournalism and personal projects as well as images and stories from acclaimed photographers If you re ready to be inspired and challenge yourself to take your photography to the next level The Passionate Photographer provides ideas and creative solutions to transform that passion into images that convey your unique personal vision **Creating Visual Narratives Through Photography** Mike Davis,2022-12-26 This book provides photographers with the foundation to craft more compelling photos from concept all the way through to creation and distribution on the path to making a living Based on real life practice and experience former National Geographic and White House visual editor Mike Davis takes readers on a journey starting with addressing the motivation behind an image and how this determines the rest of the creative process He goes on to articulate best technical practices to create the narrative through photo composition and what to do with your work after the photos are completed Each section offers exercises for applied learning and a series of appendices cover assignments structures a compilation of critical words and concepts a comprehensive resource guide of organizations competitions grants collectives and agencies book publishers and printers and more This is an ideal resource for students and practitioners alike to gain a more informed understanding of photographic expression and learn how to effectively execute these visions *Documents of the Senate of the State of New York* New York (State).
