**Sacred Power in Byzantium** Gary Vikan,2003 In these studies Gary Vikan has opened new perspectives on the daily life and material culture of Late Antiquity more specifically on icons and relics and on objects revealing of the world of pilgrimage the early cult of saints and marriage He contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley

**Charlaine Harris: A Biography** Debbie Jabbour, 2012-07-30 ABOUT THE BOOK Oh my God It was the man from Memphis Dead Until Dark Charlaine Harris For a long time after Elvis Presley died in 1977 he would be seen regularly popping up in any number of strange places in the US Canada even in Australia In the late 1980s he appeared quite regularly in Kalamazoo Michigan Two television specials explored the existence of an Elvis conspiracy to cover up his non death Elvis sightings have tapered off somewhat in the past few years and even the most rabid fans have finally accepted that the King is in fact dead Unless of course you are Charlaine Harris Then you have a very different explanation of what really happened to Elvis Charlaine Harris is the unofficial queen of vampire fiction Anne Rice might have come first but it was Harris who really took the genre to a new level of contemporary popularity Harris acknowledges that when she entered the field it was relatively open except for Laurell K Hamilton whose vampire stories attracted followers but quickly became too sexually graphic for some readers Harris built on the field in a very different way creating a highly realistic community of supernaturals and many many others soon followed While writers like Stephenie Meyer might argue that they brought their own ideas to the table the genre would not have taken life had Charlaine Harris not paved the way She engaged readers and piqued interest in the notion that vampires and other supernatural creatures live amongst us every day and she created vampire characters that really could be the guy or girl next door In Charlaine Harris's supernatural family one of the most intriguing characters is Bubba We first meet Bubba near the end of Dead Until Dark 2001 Sookie is watching from her farmhouse porch swing when her co worker Arlene arrives to pick up her children whom Sookie had been babysitting As Arlene and her boyfriend Rene who is later revealed as the novel's villain are leaving they are introduced to a handsome vampire with thick black hair combed into an improbably wavy style by Sookie's new boyfriend vampire Bill As Sookie watches from a distance she notices that the newcomer seems very familiar husky taller than Bill and he wore old jeans and an I Visited Graceland T shirt Sookie comes to a realization of the newcomer's identity in a moment that likely sent thrills through a permanent part of literary history Oh my God It was the man from Memphis Sookie Bill said warningly this is Bubba Bubba I repeated not quite trusting my ears Yep Bubba the vampire said cheerfully goodwill radiating from his fearsome smile That's me Pleased to meetcha I shook hands with him making myself smile back Good God Almighty I never thought I'd be shaking hands with Him Sookie meets Bubba in Dead Until Dark Bill pulls Sookie aside and explains why some of the sightings are true while warning her to never call Bubba by his real name Apparently when the Man from Memphis had been brought to the morgue one of the undead who happened to be a huge fan was working as the morgue attendant Detecting a tiny spark of life he brought him over making him vampire But the chemicals in the King's system had not translated well leading to an Elvis not Elvis vampire known as Bubba After his installation as Sookie's protector that night Bubba soon becomes a friend and he plays a significant role in the many plot twists of the book to continue reading
