The Demon Duke And I:

The Demon Duke and I Marian Tee, 2014-04-23 Tomboy Potty mouth Cyber geek That s who 24 year old photo blogger Georgina George McCartney really is But because her father s death suddenly makes her a ward of her odious step aunt George s world is turned upside down as she s forced into leading a life of respectability in the kingdom of Chalys where ladies dazzle in corsets and petticoats gentlemen go a courting with carriage rides and grand balls and anything electrical or digital is forbidden Kidnapped Hunted Seduced All George wants is a stolen adventure after dark but instead she finds herself drugged or at least she thinks she is How else can she explain the way she finds her beautiful sexy and powerful captor Silviu absolutely irresistible Plus he s crazy He kisses George like he owns her tells George creatures from Hell are after them and he believes his demon half will gain a soul by making her his heartkeeper Say what Does he mean housekeeper *The Demon Duke* Margaret Locke, 2017-06-06 *Demons, Hell & Damnation* Kat Cotton, 2020-02-20 Never trust a contract with purgatory I ran away from that damn circus for a good reason now it seems my evil mother wants me back there I m finding out the hard way that caring about others just gives your enemies leverage against you Why does she want me back at Mystique Circus And why is the queen of purgatory pushing me in that direction too All signs point to a final showdown but I m not sure I m ready I m not sure I ll ever be ready I can kill demons and all kinds of horrors but can I face up to my greatest fear my mother Join Jayne and the Sequin Daggers troupe in the enthralling conclusion to the Carnival Society series *Vepar's Infernal Legions* Sean McNulty, 2023-07-11 Do not call up that which you cannot put down I wish my dad had taken this advice when calling Duke Vepar from the depths of Hell Father s arrogance unleashed the Duke and his festering legions like a plague upon this earth It seems the sins of the father really do transfer to the son With a combination of ancient knowledge and practical skill I took it upon myself to clean up my father s own mess Vepar s Infernal Legions The Complete Compendium and How to Smite Them All by Sean G McNulty is a first person account of a young man s journey across land and sea to confront Vepar a water demon unleashed from Hell The start of every chapter begins as an encyclopedia entry written by the protagonist GT who details each monster he met along the way After outlining objective details about each monster GT goes on to describe his own personal encounters with all 29 of Vepar s legions In each encounter GT must fight using both the knowledge he s studied in demonology as well as practical experiences he s had working with his hands This book is part of the author s Infernal Legions series Excerpt from Vepar s Infernal Legions The Complete Compendium and How to Smite Them All by Sean G McNulty Like Belial Lupuls Caecilian Tartarus are vulnerable to conventional weapons It can flatten itself to absorb blows from blunt striking implements but it will be torn apart by bullets or knives The fiend seems to be stealthier than the Hell Hound however The worm is dark in appearance smaller in size and as noted above it is able to squeeze through holes as small as the diameter of a dime Having said all that an alert and armed person can dispatch this demon with relative ease provided he avoids direct contact to his flesh The demon is

prone to extreme heat which can also be used to burn out Vepar's infection before it grows to maturity It does not appear to be affected by sunlight The demon does not appear to have any significant reaction to pure metals like silver It will shy away from salt recoiling as though experiencing pain However salt will not kill the fiend At very early stages it can be neutralized by clinical antiseptics

Smoke, Mirrors & Demons Kat Cotton, 2019-06-15 Jayne Hudson Regular suburban girl Teller of lies Saviour of the world It's been 10 years since I left the circus and in the interim I've built the perfect suburban life I hide my secrets beneath a cop's uniform carving out an existence that's as boring as it is safe Until that is I'm sent undercover back into the world I ran from The cool hipster carnival troupe I infiltrate is as far from the circus I grew up in as you can get But carnival folk have long memories and the trail of grisly murders tracing this troupe's journeys reawakens old fears Soon I find myself the target of a demonic killer with an evil intent that goes far beyond murder Can I slay this demon uncover the troupe's dark underbelly and stop the unleashing of hell before I become the next victim Keywords urban fantasy demon hunter carnival paranormal slow burn romance
