**Rebirth of African Orthodoxy** Thomas C. Oden,2016-04-05 African orthodoxy today reveals the same powerful faith that was confessed by Athanasius and Augustine seventeen centuries ago Classic African Christian teaching in the patristic period 100 750 AD preceded modern colonialism by over a thousand years Many young African women and men are now

reexamining these lost roots They are hungry for accurate information about their Christian ancestors Thomas C Oden asks readers to recapture the resonance of a consensual orthodoxy the harmony of voices celebrating the apostolic testimony to God s saving work in Jesus Christ witnessed to in scripture and understood best by African interpreters of the faith In ten seminars Oden invites discerning readers to reclaim and reaffirm Christian faith as it emerges from thoughtful conversations between contemporary and ancient African interpreters of orthodox faith This new book by Tom Oden is remarkable and historic His words challenge the worldwide church to return to the true fountain of living water Jesus Christ He specifically encourages us Africans to continue to seek the treasures left to us by our early church fathers and mothers in order to reshape the Christian mind now as they did in the first millennium The Most Rev Dr Mouneer Hanna Anis Archbishop of the

Episcopal Anglican Diocese of Egypt with North Africa and the Horn of Africa A thought provoking book with factual evidences emphasizing the continuity of global orthodoxy that emanated in Africa and has been nurtured by Africans from the time of Mark the evangelist to the present People yearning to discover the intellectual and classical African Christian roots will find the book very helpful Thomas A Oduro President Good News Theological College Seminary Accra Ghana While Tom Oden writes about Africans for Africans The Rebirth of African Orthodoxy Return to Foundations is also addressed to all Christians everywhere who ask What is God doing in the world today The author proposes that the clue to what God is doing in the present is to be found in what God has done in the past for the Holy Spirit has a history Tom directs us to look to Africa where the ancient African Christian orthodoxy is being reborn in the African church today making it a witness to the whole church everywhere Timothy W Whitaker retired bishop Florida Conference of The United Methodist Church

*Queering Contemplation* Cassidy Hall,2024-05-21 What would it mean to queer contemplation To disentangle contemplative spirituality from heteronormativity patriarchy and Eurocentricity and instead engage with openness curiosity and a little weirdness The world of contemplative Christianity has yielded to the same voices for far too long many of whom are from centuries before our time with lives unlike our own and often from experiences disconnected from marginalization oppression and what it feels like to be an outsider Cassidy Hall an LGBTQIA Christian contemplative scholar and podcast host takes us on a journey to queer the contemplative tradition For Hall queering is not solely about identifying as queer or applying queer theory it is about what is gained by seeing things differently Queer she says is the way I tilt my head to look at the world As queerness

reawakened her own contemplative life Hall discovered that queering and questioning the tradition allowed her to listen more closely to voices that are queer marginalized and oppressed voices that have long existed but have often been overlooked or silenced For Hall that also meant moving differently into contemplation into silence into liminality and ritual In showing us the way she helps us envision what contemplative faith can look like what spiritual spaces we can reclaim for welcome and how queering contemplation and lifting up queer contemplative voices frees us to seek the infinite possibility of our own identity and engage our spiritual lives with open hearts and open hands Whether you're queer or want to queer your own perspectives or whether you want to uncover the queerness and queer voices in the contemplative tradition Hall throws open the doors of contemplative spirituality for all bringing us to contemplation in very new sometimes old but always queer ways
