The Devil Called Collect The Exorcism Of Jessica Leek

J. Harold Ellens

The Devil Called Collect The Exorcism Of Jessica Leek:

The Devil Called Collect J. Conn, 2007-12 At two o'clock in the morning on Tuesday March 11 1980 Pastor J Stephen Conn received a long distance collect telephone call from a young woman desperately pleading for help Afraid alone and deeply involved in witchcraft all Jessica Leek knew about the man she was calling was that his number had been given to her by a stranger while she was hitch hiking As Jessica spoke numerous demonic voices unexpectedly came from her lips blaspheming threatening and identifying themselves by name The unsuspecting pastor had little practical knowledge of demons and no experience in casting them out Yet overwhelmed by compassion he seized this as an opportunity to help a tormented young woman find deliverance and at the same time put the reality of God's power to the test The story of Jessica's liberation from multiple evil spirits is unlike any other account of an exorcism ever written The accounts of the hellish manifestations of malevolent spirits through their tortured victim are chilling Yet the spiritual warfare ends in victory and leaves the reader with a triumphant affirmation of faith and hope

Explaining Evil J. Harold Ellens, 2011-02-18 In this three volume set international scholars from across a broad spectrum of scholarly fields examine the concept of evil throughout history and world cultures from religious scientific psychological and political perspectives The manifestation of evil has provided a convenient theme for popular culture entertainment ranging from the classic film *The Exorcist* to almost all of Stephen King's horror novels to video games such as *Resident Evil* Unfortunately dealing with and attempting to overcome the forces of evil is a pervasive problem in the real world as well *Explaining Evil* addresses incidents of evil from ancient times to modern day around the globe Concepts of evil within the big three religions Christianity Judaism and Islam are examined as well as in Chinese philosophy and Native American beliefs The political or national expressions of evil are explored such as the axis of evil that culminated in World War II These volumes identify the causes and effects of evil and suggest possible remedies to humanity's inescapable flaw

Faith Healers and the Bible Stephen J. Pullum, 2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged *Faith Healers and the Bible* What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled *The Rhetoric of Faith Healing* Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly

demonstrates that much of what faith healers preach cannot be scripturally supported
