Authentic Discipleship Edward Michael Gross, 2013-04-16 We are living in days when as Mike Breen says we are in a discipleship crisis in the Western Church George Barna s studies have shown that there is currently no discernible difference between the lifestyles of many believers and non believers This is the reason for this book to help you fulfill Jesus command to make disciples The book is helpful in at least two ways First the believer can and will grow spiritually by taking on the sessions one at a time to learn what it means to follow Jesus These sessions are meant to be nothing less than opportunities for an encounter with the living Lord Himself You can begin to monitor your own spiritual progress as Christ and His Book become more meaningful to you day by day Secondly the book is a guide to help a disciple maker take a disciple through it step by step so that together they can work through the stages of follow up and the beginnings of discipleship As Josh Hunt a leading guru of the micro church says of the book This book will take you step by step in laying the foundation every Christian needs to live a fruitful abundant Christian life Special attention is given to having assurance at three levels Promise Assurance from the guarantees of God s Word Proof Assurance from the evidences salvation gives in your life and Personal Assurance from the Holy Spirit Author Bio Dr Edward Michael Gross is President of Vanguard Global Network a pastoral training mission in Columbia SC which helps to equip the world s churches to fulfill the Great Commission in disciple making Ed was a pastor for 22 years and has served in world missions for the last 15 years Ed is married to Maxine they have 6 grown children and 11 grandchildren The Grosses live in Lexington SC keywords Church Growth Spiritual Growth Discipleship Bible Study Attributes Of God Holy Spirit Prayer Evangelism Church Leadership Church Workbook
