### **The Dobe Ju Or Hoansi Case Studies In Cultural Anthropology:**

The Dobe Ju/'hoansi Richard B. Lee, 2003 This classic bestselling study of the Kung San foragers of the Dobe area of the Kalahari Desert describes a people's reactions to the forces of modernization detailing relatively recent changes to Kung rituals beliefs social structure marriage and kinship system It documents their determination to take hold of their own destiny despite exploitation of their habitat and relentless development to assert their political rights and revitalize their communities Use of the name Ju hoansi meaning real people acknowledges their new sense of empowerment *The Wiley Handbook of Ethnography of Education* Dennis Beach, Carl Bagley, Sofia Marques da Silva, 2018-05-01 A state of the art reference on educational ethnography edited by leading journal editors This book brings an international group of writers together to offer an authoritative state of the art review of and critical reflection on educational ethnography as it is being theorized and practiced today from rural and remote settings to virtual and visual posts It provides a definitive reference point and academic resource for those wishing to learn more about ethnographic research in education and the ways in which it might inform their research as well as their practice Engaging in equal measure with the history of ethnography its current state of play as well as its prospects The Wiley Handbook of Ethnography of Education covers a range of traditional and contemporary subjects foundational aims and principles what constitutes good ethnographic practice the role of theory global and multi sited ethnographic methods in education research ethnography's many forms visual virtual auto and online networked ethnography and internet resources and virtual and place based ethnographic fieldwork Makes a return to fundamental principles of ethnographic inquiry and describes and analyzes the many modalities of ethnography existing today Edited by highly regarded authorities of the subject with contributions from well known experts in ethnography Reviews both classic ideas in the ethnography of education such as grounded theory triangulation and thick description along with new developments and challenges An ideal source for scholars in libraries as well as researchers out in the field The Wiley Handbook of Ethnography of Education is a definitive reference that is indispensable for anyone involved in educational ethnography and questions of methodology **The Biological Evolution of Religious Mind and Behavior**

Eckart Voland, Wulf Schiefenhövel, 2009-08-12 In a Darwinian world religious behavior just like other behaviors is likely to have undergone a process of natural selection in which it was rewarded in the evolutionary currency of reproductive success This book aims to provide a better understanding of the social scenarios in which selection pressure led to religious practices becoming an evolved human trait i.e. an adaptive answer to the conditions of living and surviving that prevailed among our prehistoric ancestors This aim is pursued by a team of expert authors from a range of disciplines Their contributions examine the relevant physiological emotional cognitive and social processes The resulting understanding of the functional interplay of these processes gives valuable insights into the biological roots and benefits of religion **Dress as Social Relations**

Vibeke Maria Viestad, 2018-08-01 The history of dress in the South African bush To dress is a uniquely human experience but

practices and meanings of dress vary greatly among people In a Western cultural tradition the practice of dressing properly has for centuries distinguished civilised people from savages Through travel literature and historical ethnographic descriptions of the Bushmen of southern Africa such perceptions and prejudices have made their mark also on the modern research tradition Because Bushmen were widely considered to be nearly naked the study of dress has played a limited part in academic writings on Bushman culture In *Dress as Social Relations* Vibeke Maria Viestad challenges this myth of the nearly naked Bushman and provides an interdisciplinary study of Bushman dress as it is represented in the archives and material culture of historical Bushman communities Maintaining a critical perspective Viestad provides an interpretation of the significance of dress for historical Bushman people Dress she argues formed an embodied practice of social relations between humans animals and other powerful beings of the Bushman world moreover this complex and meaningful practice was intimately related to subsistence strategies and social identity The historical collections under scrutiny present a wide variety of research material representing different aspects of the bodily practice of dress Whereas the Bleek Lloyd archive of oral myths and narratives has become renowned for its great research potential the artefact collections of Dorothea Bleek and Louis Fourie are much less known and have not earlier been published in a richly illustrated and comprehensive way *Dress as Social Relations* is aimed at scholars and students of archaeology anthropology material culture studies dress studies ethnographic studies museology culture historical studies and African studies but will also be of interest to people of descendant communities

*Land of the Tejas* John Wesley Arnn, III, 2014-05-23 Combining archaeological historical ethnographic and environmental data *Land of the Tejas* represents a sweeping interdisciplinary look at Texas during the late prehistoric and early historic periods Through this revolutionary approach John Wesley Arnn reconstructs Native identity and social structures among both mobile foragers and sedentary agriculturalists Providing a new methodology for studying such populations Arnn describes a complex vast exotic region marked by sociocultural and geographical complexity tracing numerous distinct peoples over multiple centuries Drawing heavily on a detailed analysis of Toyah a Late Prehistoric II material culture as well as early European documentary records an investigation of the regional environment and comparisons of these data with similar regions around the world *Land of the Tejas* examines a full scope of previously overlooked details From the enigmatic Jumano Indian leader Juan Sabata to Spanish friar Casanas s 1691 account of the vast Native American Tejas alliance Arnn s study shines new light on Texas s poorly understood past and debunks long held misconceptions of prehistory and history while proposing a provocative new approach to the process by which we attempt to reconstruct the history of humanity

*Journal of Cultural Studies* ,2001      **The Khoe and San** Shelagh M. Willet, 2002

Compiled by the University of Botswana which houses a unique collection of contemporary published and unpublished written material on the indigenous minority of Southern Africa The aim was to make this literature available in one collection and thus promote research on with and by this minority The volume lists over a thousand bibliographic entries covering the

social sciences languages and history as well as publications from national and regional San organisations Short abstracts of each entry are linked to a list of keywords and authors      **Cultural Diversity Among Twentieth-Century Foragers** Susan Kent,1996-02-15 This book examines variability within broadly defined African forager societies Foragers have been seen as culturally similar as they all pursue a subsistence strategy emphasising hunting and gathering However new research suggests there may be more diversity among groups than has been acknowledged Here leading scholars contrast groups with in forager societies Chapters range in scope from symbolic to ecological and behavioural providing invaluable data on hunter gatherer life for anyone concerned with past or present foragers      **Guide to the Study of Religion** Willi Braun,Russell T. McCutcheon,2000 What is religion Can it be defined at all Or is it too easily defined in far too many ways so as to make a religion a drifting signifier or whatever one s pleasure is Does the study of religion require special perhaps religious tools of analysis and explanation What is the difference between a knowledge of religion derived from practicing it and a knowledge about religion derived from nonreligious modes of inquiry Sooner or later any serious student of religion must face these questionsif religious practices are to be investigated in the light of the terms and aims of the social and human sciences in the modern university The Guide to the Study of Religion provides a map of the key concepts and thought structures for imagining and studying religion as a class of everyday social practices that lend themselves to no more or less difficult explanation than any other class of social phenomena      *Toward General Theory in Anthropology* April Leininger,1998

**The Dobe Ju/'Hoansi** Lee,2012-02-01 This classic bestselling study of the Kung San foragers of the Dobe area of the Kalahari Desert describes a people s reactions to the forces of modernization detailing relatively recent changes to Kung rituals beliefs social structure marriage and kinship system It documents their determination to take hold of their own destiny despite exploitation of their habitat and relentless development to assert their political rights and revitalize their communities Use of the name Ju hoansi meaning real people acknowledges their new sense of empowerment Since the publication of the Third Edition in 2003 Richard Lee has made eight further trips to the Kalahari the most recent in 2010 and 2011 The Dobe and Nyae Nyae Areas have continued to transform and the people have had to respond and adapt to the pressures of capitalist economics and bureaucratic governance of the Namibian and Botswana states This Fourth Edition chronicles and bears witness to these evolving social conditions and their impacts on lives of the Ju hoansi Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
