## **The Dogist Photographic Encounters With 1000 Dogs:**

**The Dogist** Elias Weiss Friedman, 2015-01-01 When Friedman moved to New York City he missed the dogs that had surrounded him growing up. He began photographing dogs on the street and posting them on his blog The Dogist. Whether because of the look in a dog's eyes, its innate beauty, or even the clothes its owner has dressed it in, every portrait in this book tells a story and explores the dog's distinct character and spirit. **This Dog Will Change Your Life** Elias Weiss

Friedman, 2025-06-03 A uniquely insightful, uplifting, emotional, and informative book that shows us how dogs make our lives better by making us better people. From the Dogist, Elias Weiss Friedman became known as The Dogist when he took thousands of photos of dogs and posted them online along with their unique dog stories. Even before he was The Dogist, though, he was a Dogist, a fervent dog lover, and an evangelist about the relationship between dogs and humans, and the joy this bond brings us in the modern world. Over his decades of studying dogs and their people, Elias has arrived at a deceptively simple realization: Dogs make people's lives better by making people better. Dogs improve us. They save us. They give our lives greater meaning and fulfillment. They teach us to become the best versions of ourselves. They help us understand our own identities, deepen our relationships, and remind us of patience, purpose, and commitment. We constantly seek those things in our human life, but so many of the answers are already right in front of us in our dogs. This book weaves together stories of the many dogs Elias has been lucky enough to know, both in his personal life and while doing his Dogist work. Told in a light tone that does not shy away from more serious issues, Elias is not above the occasional sentimental moment or dog pun; this book charmingly explores the ways that dogs are not just our family and our friends but also irreplaceable beings capable of generating boundless love and restoring balance to our lives. In an increasingly alienating and divisive world, there is one clear remedy: the one with four legs that rolls over for belly rubs. Dogs can change our lives, and this book might just change yours.

*At the Master's Side* Stephen Poxon, 2017-11-17 An illustrated year's worth of dog stories with reflections on aspects of God's character, together with verses of Scripture to encourage, inform, and possibly even amuse. It might be that a line from a reflection will lead you towards a deeper concept. It might be that a thought provides a timely contemplation for the day relevant to your circumstances and concerns. Anyone who has ever owned a dog knows that their company enhances your life. Anyone who has walked day by day in the company of the Almighty knows that His presence transforms your life. Stephen Poxon combines these truths, reflecting day by day on how the dogs he has known speak to him of some aspect of God's nature. A walk with a dog can easily become a walk with your God too. As a dog devotee who tries to follow God, these readings bring reminders of His love. As the seasons change and experiences vary between good, bad, and indifferent, our relationship with a loving Heavenly Father remains a rewarding constant.
