The Dogs in My Life The Supreme Master Ching Hai,2010-07-01 The Dogs in My Life captures the love and warmth shared between Supreme Master Ching Hai and her numerous dogs with full color photos and poetic captions written from the canines point of view The Supreme Master Ching Hai had been compiling these touching dog tales since she began adopting them one after another from shelters in 2001 It was a miraculous journey for these dogs in their rebirth through her compassion Readers of this book will see dogs in a new light noble beings with a whole lot of love **The Dogs of My Life**

Karen Cobbs,2016-10-05 The Dogs of My Life is a collection of stories about just that the dogs of my life I grew up with dogs and believe I learned and am still learning many lessons from them Over the years I have thought about these lessons and what they teach me about the Kingdom of God Isn t it just like God to use the simplest analogies parables to show us the greatest truths Each day I marvel at the things my dogs do that either teach me or remind me of something God would have me remember or know As you read these stories I hope you too will begin to look at your pets in a whole new way Look at them as teachers You will be surprised at what you learn **My Life in Dog Years** Gary Paulsen,1999-06-08 Gary Paulsen

has owned dozens of unforgettable and amazing dogs In each chapter he tells of one special dog among them Cookie the sled dog who saved his life Snowball the puppy he owned as a boy in the Philippines Ike his mysterious hunting companion Dirk the grim protector and his true friend Josh a brilliant border collie **All the Dogs of My Life** Elizabeth Rose,1936 *The Dog that Saved My Life: Incredible true stories of canine loyalty beyond all bounds* Isabel George,2010-01-21 Five incredible true stories of canine bravery in wartime *All the Dogs of My Life* Countess Von Arnim,1936 **The Dogs in My Life**

Vivienne Chadwick,1975 My Life as a Dog Moose,Brian Hargrove,2000-02-16 What can you say about Moose a lovable canine A consummate professional A bright star in the Hollywood universe Yes you could say all those things Or you could

just say that he was the little dog that could The little dog that never took no for an answer The little dog that never said I can't but always why can't I The story of Moose is a classic rags to riches story of how an average pound bound puppy barked jumped and mugged his way up the ladder of success to become a major superstar Not since Lassie has America cared so much about one of its four legged creatures At least that's what Moose would say I would say that working with that dog has been a nightmare I had to be at his beck and call any time day or night You don't know what it's like to get a call at three o'clock in the morning because someone has something he wants to add to the Frasier chapter Did he think I had no life of my own Or that I slept by the telephone waiting for him to call Yes he did Because like most uber stars he thought the world revolved around him From the moment I committed to working with him on this book it's been nothing but Moose Moose Moose But I have to admit he's had a fascinating life To be plucked out of obscurity and thrust into the limelight may be the dream of every actor in the world but in reality it's more of a challenge than most people realize It's hard not to get caught up in all the glitter and hype of Hollywood and completely lose sight of what's really important family and friends As egomaniacal as Moose is he has never forgotten where he came from or taken for granted the fans that got him where he is today He's a complex guy selfish and independent demanding and feisty impatient and intense arrogant and stubborn and strong willed But he is also loving caring thoughtful when he wants to be charismatic funny charming and above all loyal In short Moose is a Jack Russell terrier with an attitude Is there any other kind
