## **The Deep Psychology of BDSM and Kink** Douglas Thomas,2023-09-20

This fascinating volume investigates how the concept of soul is connected to BDSM and kink exploring the world of alternative sexualities through the psychology of C G Jung and James Hillman as readers are guided on a provocative and lively journey through darker aspects of the sexual imagination Contextualized both in sexual history and contemporary events the book unveils surprising points of correspondence between the tortured fantasy images of Jung s The Red Book and the modern world of BDSM and describes from Hillman s psychology a soul centered perspective that affirms the psychological value of fantasy images animating our human lives The book also considers the collective archetypal sources of historical trauma which have provided inspiration to some of the more disquieting aspects of BDSM and details how the deep psychology of BDSM creates a space in the modern world to ethically engage these practices Kinksters and BDSM practitioners will discover a psychological language that clarifies and affirms why these activities and relationships can be so intensely intimate pleasurable and transformative Psychotherapists and enthusiasts of Jungian and archetypal psychology will find fresh insights here that support the practice of BDSM as a form of individuation and a path for bringing soul into the world

**Kinkorama** Simon H. Sheppard,2003 If Cabaret s twisted emcee had earned a degree in sociology he might well have turned out a book like this brilliantly conceived and executed title A noted erotic writer Sheppard has produced a body of work that has long revealed a fascination with the myriad of possibilities of human sexuality In this new book he takes readers behind the unmarked doors and black vinyl curtains that lead to the sometimes shocking often hilariously arousing scenarios of extreme sex

**Any Cost** Hazel Domain,2024-09-16 Sometimes people are more monstrous than the monsters Micah and Dominic have a new roommate Gestalt the last survivor of the Hellfires desperate attempt to cover their tracks has the wings of a raven and the personality of a feral cat Powerful magic binds him with no counterspell to be found Gestalt would never ask Dominic or Micah for help if the life force shared through their psychic link weren t the only thing keeping him alive That said he finds some of the glimpses through that link quite interesting Micah isn t used to having people in his head His relationships are performances his behavior tailored to whatever his audience requires If Dominic finds out he ll want to meet the real Micah the man behind the mask Too bad Micah doesn t know how to play that role

Dominic has problems of his own As the range of the Hellfires empire is revealed he realizes how many cracks exist in a system he's always trusted With the pillars of his faith crumbling by the day and his feelings for Micah and Gestalt growing by the night he's forced to decide just how far outside the system he's willing to work See this title's page on
