**LUCIAN** I am a Dragon Prince of the House of Smoke and I am dying. Five hundred years is truly enough for a man like me. A monster. Yet a ten thousand year treaty will die with me if I don't spawn a dragonling to take my place. My two brothers are no use in this task. It falls to me, the eldest, by a hair's breadth and yet I cannot face the horror of another sealing. Another death. Another woman's blood on my hands. **ARABELLA** I was saved from death in a dark Seattle alley by an impossibly beautiful man who swooped in on golden wings. Now he's taken me to his lair, opened my eyes to a world of immortals I didn't know existed and given me an impossible task: find him a mate. Then and only then will he set me free. He needs her more than he wants her; she wants him more than she should. And the fate of both the mortal and immortal worlds depends on not just repairing their hearts but finding a Love that's True. The Fallen Immortals series is a modern *Beauty and the Beast* story with flaming HOT dragon shifters, vengeful Dark Fae and beguiling fallen angels. Lucian and Arabella's story is told in the first three books of the 9 book series, with more planned after that. Only readers over 18 should embark on this epic series of dangerous love that only an immortal might withstand. [Dragons Of The Mind](#) Katherine Lampe, 2005-03-01

Our battles do not cover us with riches with glory. We marry no princesses, gain no kingdoms. We wrap no monsters' tongues in silken handkerchiefs embroidered with the monogram of the beloved, take no trophies which, when later our claims are challenged, we can show the king as proof of our worth and thus gain the prize. The dragons we face are in the mind. We never learn her name but we do learn her story. Being sent away from her home village to apprentice with the Wiseman of the Wood is the best thing that ever happened to her. Then she learns that her cousin, a foolish dreamer of a boy, has undertaken a quest that could either bring him a princess and a kingdom or lose him his head. Against her will, she gets caught up in his dream, a dream that will take her to the far reaches of the kingdom in search of the Water of Life. And although she has been told that the stories of the wise are never told, she learns a lesson that makes her story worth repeating. The seven tales of enchantment in this book range from modern versions of old stories to new stories.

with common fairytale themes They take place in the present day and in the mythic past but they all have something in common Although there are ogres to be fought and princesses to be won curses to be broken and quests to be fulfilled the real challenge each of the heroes must face is personal And beyond fear beyond doubt beyond the consequences of unbearable choice comes the poignant realization that life is what you make it and contentment means more than happily ever after **DRAGON FAIRY TALES** SUSANNE.
