Goheen, 2024-05-07 The story of the Bible and its account of God's action in the world give meaning to our lives and provide us with the foundation for our actions. In this bestselling textbook Craig Bartholomew and Michael Goheen survey the grand narrative of the Bible demonstrating how the biblical story forms the foundation of a Christian worldview. In considering the biblical story the authors emphasize the unity of the whole viewing the Bible as a drama in six acts: creation, sin, Israel, Christ, church, and new creation. Two overarching themes, covenant in the Old Testament and kingdom in the New Testament, tie the biblical story together. Throughout the authors suggest God is revealed through the story and calls us to participate in his drama. The third edition has been updated and revised throughout. Additional resources for students and professors are available through Textbook eSources. **The True Story of the Whole World** Michael W. Goheen, Craig G. Bartholomew, 2020-12-01 This book provides an overview of the grand narrative of the Bible showing how God's action in the world gives meaning to our lives and provides us with a foundation for our actions. The authors' bestselling textbook *The Drama of Scripture* presented this message for a student audience. It was then abridged and published at a more popular level as *The True Story of the Whole World*. This revised edition has been further updated and streamlined throughout for church readers and small groups. It includes contemporary reflection sections and discussion questions for individual or group use in each chapter.

Faith Speaking Understanding Kevin J. Vanhoozer, 2014-01-01 In this volume highly esteemed scholar Kevin Vanhoozer introduces readers to a way of thinking about Christian theology that takes the work he began in the groundbreaking 2005 book *The Drama of Doctrine* to its next level Vanhoozer argues that theology is not merely a set of cognitive beliefs but is also something we do that involves speech and action alike He uses a theatrical model to explain the ways in which doctrine shapes Christian understanding and forms disciples The church Vanhoozer posits is the preeminent theater where the gospel is performed with doctrine directing this performance Doctrines are not simply truths to be stored shelved and stacked but indications and directions to be followed practiced and enacted In performing doctrine Christians are shaped into active disciples of Jesus Christ He goes on to examine the state of the church in today's world and explores how disciples can do or perform doctrine Written in an accessible and engaging style *Faith Speaking Understanding* sets forth a compelling vision of what the church is and what it should be doing and demonstrates the importance of Christian doctrine for this mission Disciples who want to follow Christ in all situations need doctrinal direction as they walk onto the social stage in the great theater of the world The Christian faith is about acknowledging and participating in the great thing God is doing in our world making all things new in Christ through the Holy Spirit Doctrine ministers understanding of God of the drama of redemption of the church as a company of faithful players and of individual actors all of whom have important roles to play In an age where things fall apart and centers fail to hold doctrine centers us in Jesus Christ in whom all things hold together

After Forty Years Fellowship of Catholic Scholars Convention, 2007 After Forty Years deals with the two great Constitutions on the Church Lumen Gentium and Gaudium et Spes its epochal Constitution on Divine Revelation and hence also on *Scripture Dei Verbum* its Declaration on Religious Liberty *Dignitatis Humanae* and its Decree on Ecumenism *Unitatis Redintegratio* Because of the special interest of a number of the contributors there is a heavy emphasis on the meaning and significance of the anthropology of *Gaudium et Spes* This book however is no superficial survey of the general ideas and thrust of the Second Vatican Council as so many books on the subject turn out to be but it is rather an in depth look at the

meaning an import of several of the Council's most important themes and decisions. The volume contains a number of outstanding contributors including Jesuit Father William S. Kurz of Marquette, Sister Mary Timothy Prokes F.S.E. of the Notre Dame Graduate School of Christendom College and New York University's Emeritus Professor of Psychology Dr. Paul Vitz now teaching at the new Institute for Psychological Sciences IPS in Northern Virginia. Book jacket *God and Globalization* Max L. Stackhouse, 2000 **American Book Publishing Record**, 2003 **From Age to Age** Keith A. Mathison, 2009. Using the narrative method of biblical theology *From Age to Age* traces the eschatological themes of Scripture from Genesis to Revelation emphasizing how each book of the Bible develops these themes that culminate in the coming of Christ and showing how individual texts fit into the over arching picture.
