## **The Dundee Whalers 1750 1914:**

The Dundee Whalers Norman Watson,2021      *The Dundee Whalers 1750-1914* Norman Watson,2003-11-24 This is a study of what was Britain's leading whaling port Today Dundee captains and the city's whaling fleet have a permanent place in the geography of the world Cape Adams Cape Milne Arctic Bay and Eclipse Sound recall an era when the city's stoutly built ships manned by heroic adventurers discovered new routes made new friends but seldom sailed far from danger In Dundee itself streets such as Whale Lane and Baffin Street serve as reminders of an era in which Dundee dominated the whaling grounds Moreover the Dundee fleet has excelled as polar exploration ships providing vessels for Captain Scott Ernest Shackleton and Admiral Byrd leaving a permanent reminder of the city's historic role at Dundee Island Antarctica An appendix lists all the ships and their captains

**The Dundee Whalers** Norman Watson,2003 This is a study of what was Britain's leading whaling port Today Dundee captains and the city's whaling fleet have a permanent place in the geography of the world Cape Adams Cape Milne Arctic Bay and Eclipse Sound recall an era when the city's stoutly built ships manned by heroic adventurers discovered new routes made new friends but seldom sailed far from danger In Dundee itself streets such as Whale Lane and Baffin Street serve as reminders of an era in which Dundee dominated the whaling grounds Moreover the Dundee fleet has excelled as polar exploration ships providing vessels for Captain Scott Ernest Shackleton and Admiral Byrd leaving a permanent reminder of the city's historic role at Dundee Island Antarctica An appendix lists all the ships and their captains

**The Witches of Fife** Stuart MacDonald,2014-08-01 Along the coast of Fife in villages like Culross and Pittenweem history records that some women were executed as witches Nevertheless the reality of what happened the night that Janet Cornfoot was lynched at Pittenweem is hard to grasp as one sits by the harbour watching the fishing boats unload their catch and the pleasure boats rising with the tide How could people do this to an old woman Why was no one ever brought to justice And why would anyone defend such a lynching The task of the historian is to try to make events in the past come alive and seem less strange The details of the witch hunt are fascinating Some of the anecdotes are strange The modern reader finds it hard to imagine illness being blamed on the malevolence of a beggar woman denied charity or the economic failure of a sea voyage being attributed to the village hag not bad weather Witch hunting was related to ideas values attitudes and political events It was a complicated process involving religious and civil authorities village tensions and the fears of the elite The witch hunt in Scotland also took place at a time when one of the main agendas was the creation of a righteous or godly society As a result religious authorities had control over aspects of people's lives which seem as strange to us today as beliefs about magic or witchcraft It was not accidental that the witch hunt in Scotland and specifically in Fife should have happened at this time This book tells the story of what occurred over a period of a century and a half and offers some explanation as to why it occurred

**A Day in a Working Life** Gary Westfahl,2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about

the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field **Maritime**

**Labour** Richard Gorski,2007 This is a collection of soundings into various aspects of the history of maritime labor from the close of the Middle Ages to the present The spatial emphasis of the essays is north European and Atlantic since they deal with the countries around the North Sea and Baltic with some coverage of North America Indeed from time to time the authors leave the sea behind in order to examine broader issues such as labor markets the regulation and institutions of seafaring and industrial relations on the waterfront But at all points there is a common theme of sea related labor and a common objective of better understanding what have often been perceived as difficult and elusive groups of people

Scotland's Merlin Tim Clarkson,2016-05-19 Who was Merlin Is the famous wizard of Arthurian legend based on a real person In this book Merlin s origins are traced back to the story of Lailoken a mysterious wild man who is said to have lived in the Scottish Lowlands in the sixth century AD The book considers the question of whether Lailoken belongs to myth or reality It looks at the historical background of his story and discusses key characters such as Saint Kentigern of Glasgow and King Rhydderch of Dumbarton as well as important events such as the Battle of Arfderydd Lailoken s reappearance in medieval Welsh literature as the fabled prophet Myrddin is also examined Myrddin himself was eventually transformed into Merlin the wizard King Arthur s friend and mentor This is the Merlin we recognise today not only in art and literature but also on screen His earlier forms are less familiar more remote but can still be found among the lore and legend of the Dark Ages Behind them we catch fleeting glimpses of an original figure who perhaps really did exist a solitary fugitive tormented by his experience of war who roamed the hills and forests of southern Scotland long ago **Shaping the Past** Nicholas R.

Amor,Evelyn Lord,2020-05-01 A tribute to a local history giant exploring themes of time place and community in Eastern England Dr David Dymond a luminary in local history is honored in this collection of essays by colleagues friends and students These essays present new research spanning from the medieval era to the 20th century with a focus on Eastern England They embody Dymond s inclusive philosophy integrating meticulous primary source analysis with sensitivity to broader community influences Contributors delve into medieval religion trade and industry in Eastern England offering

insights into local elites and social dynamics The collection culminates with studies of 19th and 20th century commerce and culture This diverse material provides a rich resource for anyone interested in local history reflecting the breadth of Dymond's scholarship

**Alexander II** Richard D. Oram, 2012-10-02 By equal measure state builder and political unifier and ruthless opportunist and bloody handed aggressor Alexander II has been praised or vilified by past historians but has rarely been viewed in the round This book explores the king's successes and failures offering a fresh assessment of his contribution to the making of Scotland as a nation It lifts the focus from an introspective national history to look at the man and his kingdom in wider British and European history examining his international relationships and offering the first detailed analysis of the efforts to work out a lasting diplomatic solution to Anglo Scottish conflict over his inherited claims to the northern counties of England More than just a political narrative the book also seeks to illuminate aspects of the king's character and his relationships with those around him especially his mother his first wife Joan Plantagenet and the great magnates clerics and officials who served in his household and administration The book illustrates the processes by which the mosaic of petty principalities and rival power bases that covered the map of late 12th century Scotland had become by the mid 13th century a unified state hybrid in culture's and multilingual but acknowledging a common identity as Scots
