The Eclipses A Poulin Jr New Poets Of America

Craig Morgan Teicher

The Eclipses A Poulin Jr New Poets Of America:

The Eclipses David Woo, 2005 Selected by Michael S Harper as winner of the 2004 A Poulin Jr Poetry Prize **Falling to Earth** Tom Hansen, 2006 A bemused stoop shouldered figure who is more than a mere speaker let's call him a protagonist stalks the poems of *Falling to Earth* With candor and an almost grandiose simplicity Hansen describes the limitations of his middle aged body and in so doing the limitations of his enterprise in mid life the gracelessness of survival *Falling to Earth* is the journey of a vibrant soul refreshing itself poem by poem Molly Peacock from her foreword Tom Hansen taught writing and literature for 35 years before retiring to the Black Hills of South Dakota His credits include *Paris Review* *The Iowa Review* and *The American Scholar* Beautiful in the Mouth Keetje Kuipers, 2010-04-01 Thomas Lux selected this debut collection as winner of BOA's A Poulin Jr Poetry Prize In his foreword he writes I was immediately struck by the boldness of imagination the strange cadences and wild music of these poems We should be glad that young poets like Keetje Kuipers are making their voices heard not by tearing up the old language but by making the old language new Keetje Kuipers a native of the Northwest earned her BA at Swarthmore College and MFA at the University of Oregon A Stegner Fellow at Stanford University she divides her time between Stanford and Missoula Montana *Awayward* Jennifer Kronovet, 2009 In her foreword to *Awayward* National Book Award winning poet Jean Valentine writes Jennifer Kronovet's poems in *Awayward* are so surprising and compelling and beautiful so intelligent and felt Kronovet uses simple words and works at a mysterious depth one we can enter with gladness Written while Kronovet was living in Beijing *Awayward* illuminates the sense of disconnect that travelers experience when their major touchstones of language and geography are altered These poems wander the world drifting in and out of conversations that are alternately comical and grave Jennifer Kronovet is founding co editor of *CIRCUMFERENCE* a journal of poetry in translation **The City in Which I Love You** Li-Young Lee, 2013-12-20 Contents I Furious Versionis II The Interrogation This Hour And What Is Dead Arise Go Down My Father In Heaven Is Reading Out Loud For A New Citizen Of These United States With Ruins III This Room And Everything In It The City In Which I Love You IV The Waiting A Story Goodnight You Must Sing Here I Am A Final Thing V The Cleaving **The Virginia Quarterly Review**, 1992 *Quarterly Review of Literature* Theodore Russell Weiss, Renée Karol Weiss, 1980 **A. Poulin, Jr. New Poets of America Series**, 1998 **The Hands of Strangers** Janice N. Harrington, 2011-09-20 As people live longer we face the challenges that come with caring for and living as an aging population This collection focuses on the sad funny mundane reality of life in a nursing home In her own words Janice N Harrington worked her way through college as a nurses aide and wrote *The Hands of Strangers* because she cannot forget the girls I worked with or the residents under my care I haven't forgotten what I saw heard felt or learned Janice N Harrington's debut *Even the Hollow My Body Made is Gone* earned the 2007 Kate Tufts Discovery Award the A Poulin Jr Poetry Prize and an NEA fellowship for poetry *True Faith* Ira Sadoff, 2012-04-10 Nowhere else in American poetry do I come across a passion a cunning and a joy

greater than his And a deadly accuracy I see him as one of the supreme poets of his generation Gerald Stern The poems in True Faith are earthy lyrical honest and empathic in a style that is both gritty and urbane With wry humor Ira Sadoff s latest collection addresses family faith and the quiet joys of aging Ira Sadoff currently teaches in the MFA program at Drew University and serves as the Arthur Jeremiah Roberts professor of English at Colby College in Maine To Keep Love Blurry Craig Morgan Teicher,2012-08-21 To Keep Love Blurry is about the charged and troubled spaces between intimately connected people husbands and wives parents and children writers and readers These poems include sonnets villanelles and long poems as well as two poetic prose pieces tracing how a son becomes a husband and then a father Robert Lowell is a constant figure throughout the book which borrows its four part structure from that poet s seminal Life Studies Craig Morgan Teicher won the Colorado Prize for Poetry He is poetry reviews editor for Publishers Weekly magazine and served as vice president on the board of the National Book Critics Circle Poets & Writers ,2005 Kingdom Animalia Aracelis Girmay,2011-09-20 The poems in this highly anticipated second book are elegiac poems as concerned with honoring our dead as they are with praising the living Through Aracelis Girmay s lens everything is animal the sea a jukebox the desert In these poems everything possesses a system of desire hunger a set of teeth and language These are poems about what is both difficult and beautiful about our time here on earth Aracelis Girmay s debut collection won the Great Lakes Colleges Association New Writers Award A Cave Canem Fellow she is on the faculty at Drew University and Hampshire College She lives in Brooklyn New York **American Book Publishing Record** ,1996-05 *Elephants & Butterflies* Alan Michael Parker,2008 Wild and calm boisterous and quiet these accessible poems contain surprisingly complex philosophical and personal knowledge The Moon Makes Its Own Plea Wendy Mnookin,2008 The Moon Makes Its Own Plea is a departure from Wendy Mnookin s previous work Rather than considering a single experience that transforms her perception of her world such as a child s illness a father s death Mnookin explores the idea of self and how that self is strengthened and challenged by relationships Although the book is still anchored in everyday life the narrative is more fluid making greater use of associative thinking Wendy Mnookin s previous books include To Get Here BOA Editions 1999 and What He Took BOA Editions 2002 which won the New England Poetry Prize Her website is www.wendymnookin.com **And** Michael Blumenthal,2009 A new collection of Whitmanesque poems by the winner of the Isabella Gardner Poetry Award **The Heaven-sent Leaf** Katy Lederer,2008 In The Heaven Sent Leaf Katy Lederer draws on her experience as both acclaimed younger poet and brainworker at a hedge fund in midtown Manhattan to produce an uncannily prescient work of high lyric Though on its surface The Heaven Sent Leaf addresses that most taboo of subjects money what it ultimately confronts is what it means to be as Wallace Stevens put it finally human Working in the tradition of the flaneur Lederer charts her speakers interior landscapes according to the city s highly monetized geography viewing life in the big city through the lens of expenditure not just of money but of all that money signifies In poems that are both heartfelt and ruthlessly critical of our

current financial milieu in which the fates of individuals are packaged priced out and then bundled for sale on the open market Lederer proves Robert Graves's famous observation wrong though there may be no money in poetry there is indeed poetry in money Sparkling and strange acrobatic but never evasive clear eyed about its own emotional life even as it takes semantics for a tumble Katy Lederer's book length sequence of not quite sonnets measures up to its contemporaries as a chronicle of love in and out of a life in dramatis personae and in the poet's own soul it excels all those contemporaries and swerves away from almost all its precedents in following at once the love and the money Stephen Burt These lyrically crisp poems chronicle the poet gendered female as brainworker in contemporary New York Where is prayer Where nature Where love They are not to be found on the dizzying streetscape as seen from the top of an office building but in the head and the heart of the poet buffeted by money drenched dreams I hate to be alone Lederer writes in the perfect Parable of Times Square But in this poem and indeed this book the remedy to the cold solitude of cash getting is not other people but poetry Jennifer Moxley Katy Lederer is the author of the poetry collection Winter Sex Wave Books 2002 and the memoir Poker Face A Girlhood Among Gamblers Crown Publishers 2003 which Publishers Weekly included on its list of the Best Nonfiction Books of 2003 and Esquire named one of its eight Best Books of the Year in 2003 The Fortieth Day Kazim Ali, 2008 From the Bible to the Quaraan the fortieth day symbolizes the last moment before deliverance a moment in time when a supplicant or prophet or stormbeaten passenger knows there is no state after but finally accepts the present state as a permanent one In The Fortieth Day Kazim Ali follows the fractured narratives and moving lyrics of his debut collection The Far Mosque with a deeply spiritual and meditative book exploring the rhetoric of prayer Kazim Ali was born in the United Kingdom and raised in an Islamic household He holds degrees from the University at Albany and New York University He lives in Oberlin Ohio

Struggling Times Louis Simpson, 2009 Pulitzer Prize winning poet Louis Simpson has been a leading figure in American letters for more than half a century Born in the West Indies Simpson immigrated to the United States at the age of seventeen He studied at Columbia University then served the US Army in active duty in Europe during World War II After the war he continued his studies at Columbia and at the University of Paris While living in France he published his first book of poems The Arrivistes 1949 The poems in Struggling Times find Simpson's distinct imaginative voice working at its full poetic power Both timely and personal the poems reveal Simpson's ongoing quarrel with suburban America as well as the American government's struggle to retain its integrity and honor in the midst of its own aggression and worldwide strife You have to be careful what you hear or see In Afghanistan I saw the man and the woman who were caught in adultery buried up to their heads Their children were brought and told to throw stones I can still see the heads twisting on the ground The poor devil in Papillon with his head in the guillotine but Goya's half buried dog looking up at the sky I think was the worst of all This is the Jamaican born Simpson's 18th collection its dry trimeters and tragic resignations should certainly please the faithful fans Yet the new poems as much as any in his oeuvre leave room for unexpected happiness Simpson believes in endurance and the

rewards of the ordinary He can at his best make his readers believe in those things too Publishers Weekly Louis Simpson's last book The Owner of the House New Collected Poems 1940 2001 BOA Editions Ltd 2003 was finalist for the National Book Award and the Griffin Poetry Prize His other honors include the Prix de Rome Guggenheim Foundation fellowships and the Columbia Medal for Excellence
