The Constitution Failed:

The Constitution Failed Robert R. Owens, How can you say The Constitution failed Don t you mean We failed the Constitution Or is that a distinction without a difference Since the declared and understood purpose to the writing and ratification of the Constitution was to create and sustain a limited government and since We the People now face an unlimited government Dr Owens maintains we face the painful reality The Constitution failed As a member of the Richmond Tea Party and a contributing author to the websites of numerous Tea Parties across the fruited plane Dr Robert Owens the author of the History of the Future builds upon Dispatches from that History to show not only that the Constitution has failed but that in many ways that failure was foretold before it was ever ratified by the arguments of the Anti Federalists He then goes on to offer recommendations for how We the People can organize and advocate for a solution which will preserve liberty in the land of the free and the home of the brave [The Constitution Failed](#) Robert Owens,2017-01-06 Dr Robert Owens the author of the History of the Future shows not only that the Constitution has failed but that in many ways the arguments of the Anti Federalists foretold that failure before it was ratified He then offers recommendations for how We the People can organize and advocate for solutions which he believes could bring about a return to limited government preserve liberty and reignite economic opportunity in the land of the free and the home of the brave *The Constitution Failed* Ph. D. Robert R. Owens,2010-10 Since the declared and understood purpose to the writing and ratification of the Constitution was to create and sustain a limited government and since We the People now face an unlimited government Dr Owens maintains we face the painful reality The Constitution failed [Why ERA Failed](#) Mary Frances Berry,1988-02-22 Why ERA Failed looks at the systemic problems of politics and the amending process The author Mary Frances Berry considers the behavior of the two sides from the perspective of a historian and lawyer She describes the history of the amending process from the Constitutional Convention to the present day and its application to the struggles for amendments concerned with the status of blacks after the Civil War income tax prohibition child labor and woman suffrage Berry concludes that ERA approval was problematic at best and defeat predictable Supporters did too little of what is required for ratification of a substantive proposal too late Furthermore the large number of state ratifications gained was deceptive Support was eroding instead of increasing in the final stages of the campaign *"We Are Now the True Spaniards"* Jaime E. Rodriguez O.,2012-06-06 This book is a radical reinterpretation of the process that led to Mexican independence in 1821 one that emphasizes Mexico s continuity with Spanish political culture During its final decades under Spanish rule New Spain was the most populous richest and most developed part of the worldwide Spanish Monarchy and most novohispanos people of New Spain believed that their religious social economic and political ties to the Monarchy made union preferable to separation Neither the American nor the French Revolution convinced the novohispanos to sever ties with the Spanish Monarchy nor did the Hidalgo Revolt of September 1810 and subsequent insurgencies cause Mexican independence It was Napoleon s invasion of

Spain in 1808 that led to the Hispanic Constitution of 1812 When the government in Spain rejected those new constituted arrangements Mexico declared independence The Mexican Constitution of 1824 affirms both the new state s independence and its continuance of Spanish political culture
