**Lord, Teach Us to Pray** David G. R. Keller,2015-11-13 Although Jesus of Nazareth was a devout first century Jew in the twenty first century he is often lost in the thickets of Christian theology reflection on the wisdom of his words and the busyness of church life But Jesus is more than words about Jesus What can we know about Jesus the Jew What filled his daily life Why did people come to him in great numbers At a time in the church's life when spiritual formation has become a priority it is rare to hear someone ask What was Jesus spiritual formation like and how did it influence his life What can we learn from Jesus life about spiritual formation prayer and our involvement in the needs of the world today Using one hundred daily reflections Lord Teach Us to Pray enables readers to experience Jesus prayer from the point of view of his Jewish life of prayer Reflections explore Jesus periods of quiet intimacy with his Abba his commitment to Sabbath worship in synagogues his participation in the great Jewish feasts at the Jerusalem temple and the ways in which his life of prayer became the womb of his compassionate engagement with the poor the ill sinners and the unclean in his society    *Exploring Postcolonial Biblical Criticism* R. Pero, 2013 Liberation from Empire investigates the phenomenon of demonic possession and exorcism in the Gospel of Mark The Marcan narrator writes from an anti imperialistic point of view with allusions to yet never directly addressing the Roman Empire In his baptism Jesus was authorized by God and empowered by the Holy Spirit to wage cosmic war with Satan In Jesus first engagement his testing in the wilderness Jesus bound the strong one Satan Jesus explains this encounter in the Beelzebul controversy Jesus ministry continues an on going battle with Satan binding the strong one s minions demonic unclean spirits and spreading holiness to the possessed until he is crucified on a Roman cross The battle is still not over at Jesus death for at Jesus parousia God will make a final apocalyptic judgment Jesus exorcisms have cosmic apocalyptic and anti imperial implications For Mark demonic possession was different from sickness or illness and exorcism was different from healing Demonic possession was totally under the control of a hostile non human force exorcism was full deliverance from a domineering existence that restored the demoniac to family to community and to God s created order Jesus commissioned the twelve to be with him to learn from him and to proclaim the kingdom of God by participating with him in healing and exorcism Jesus expands his invitation to participate in building the kingdom of God to all those who choose to become part of his new dyadic family even today
