

An illustration featuring a stylized orange hand with black outlines, positioned on the left side of the frame. The hand is shown in the act of dropping a small, yellow, teardrop-shaped coin. Below the hand, a large, dense pile of similar yellow coins is visible. The background consists of a series of diagonal stripes in shades of purple and teal, radiating from the top left corner. A white rectangular box with a dark purple border is located on the right side of the image, containing the text "HELP US BUILD A CULTURE OF GIVING" in bold, black, uppercase letters.

The Culture Of Giving The Culture Of Giving:

The Culture of Giving Ilana Krausman Ben-Amos, 2011-03-03 An innovative study of gift giving informal support and charity in England between the late sixteenth and early eighteenth centuries Ilana Krausman Ben Amos examines the adaptation and transformation of varied forms of informal help challenging long held views and assumptions about the decline of voluntary giving and personal obligations in the transition from medieval to modern times Merging historical research with insights drawn from theories of gift giving the book analyses practices of informal support within varied social networks associations and groups over the entire period It argues that the processes entailed in the Reformation state formation and the implementation of the poor laws as well as market and urban expansion acted as powerful catalysts for many forms of informal help Within certain boundaries the early modern era witnessed the diversification increase and invigoration rather than the demise of gift giving and informal support

Cultural Realities of Being Nandita Chaudhary, S. Anandalakshmy, Jaan Valsiner, 2013-10-23 Cultural Realities of Being offers a dialogue between academic activity and everyday lives by providing an interface between several perspectives on human conduct Very often academic pursuits are arcane and obscure for ordinary people this book will attempt to disentangle these dialogues lifting everyday discourse and providing a forum for advancing discussion and dialogue Nandita Chaudhary S Anandalakshmy and Jaan Valsiner bring together contributors from the field of cultural psychology to consider how people living within social groups regardless of how liberal are guided by collective reality and interconnected with life circumstances The book discusses experiences and events in the lives of people of Indian cultures covering topics including family food pilgrimages social dynamics and truth in order to expand the material on human phenomena under the broad frame of cultural psychology The book builds upon rich cultural traditions present in India and precisely because of this focus the book has much larger implications and relevance to the field and aims to orient the academic reader from around the world to viewing India and Indian society as a valuable area for research Divided into three sections the book covers Social presentation in culture Representing relations Children and youth in culture This book includes commentaries from expert academics from outside of India providing a bridge between academic reality and cultural discourse and throwing fresh light on the everyday events presented in the text Cultural Realities of Being will be essential reading for those studying Cross Cultural Psychology as well as those interested in social representation and identity
