## **The Curious Writer Book:**

*The Curious Writer* Bruce P. Ballenger, 2005 Short Retail Description *The Curious Writer* by Bruce Ballenger is an assignment oriented all in one rhetoric reader handbook that stresses the connections between personal and academic writing Written with a strong personal voice that respects students and the writing challenges they face *The Curious Writer* is not like other textbooks on the market today Where the tone of other books is usually dry and detached *The Curious Writer* is familiar and inviting The author shuns a pedantic writing style and instead reaches out to students on equal terms invoking his own writing experiences and those of his students as a way of illustrating the process of becoming a better writer The author's voice is one that teaches by example rather than rule BULLET A strong emphasis on critical reading skills *The Curious Writer* believes that writing and reading are complementary skills The book also holds that in today's media saturated world the ability to read well extends beyond the printed word to visual messages To support this philosophy chapter 2 explores inquiry based reading of texts and images Each of the writing assignment chapters includes at least three professional models and one student model One Student's Response provides samples of student responses to specific writing exercises throughout the book Seeing the Form encourages students to think beyond the printed word when considering issues of genre BULLET Treatment of research as an organic part of the writing process The author believes that all writing involves research Each of his writing assignment chapters includes integrated coverage of research discussing it both as an invention strategy and as a tool for developing ideas more fully On top of this coverage the book also includes one chapter on writing the formal research essay Ch 11 and a second chapter on conducting research

Curious Writer The Curious Writer doesn't read like a textbook or provide a formula for composing essays. Instead, it encourages students to suspend judgment, to ask questions, and to seek answers much like academics do. Yet it covers a wide range of genres beyond the academic essay: narrative, profile, review, ethnography, argument, and more, all with a distinctive approach and personality that is lacking in other texts. It also reinforces the assumption that genres are malleable with a new chapter on repurposing or re-genre-ing. Students love that this book helps them learn to write by pursuing their own curiosity. Teachers appreciate that Ballenger gives students ample opportunity to develop the habits of mind necessary to become critical thinkers and curious writers. The 8th Edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the increasing mobility of texts, MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes then align with current best practices in the teaching of writing, which privilege inquiry and critical thinking over rote recall and rule following.

The Curious Writer Bruce Ballenger, 2013-01-28 The Curious Writer, an assignment-oriented all-in-one rhetoric reader handbook, stresses the connections between personal and academic writing. The Curious Writer emphasizes inquiry as both a method of discovery and learning and a driving force behind the writing process. The book operates on the principle that writers who begin with questions rather than answers achieve better results in their work. It treats research, revision, and critical reading skills of both texts and visuals as organic components of every writing process. Each of the eight writing assignment chapters offers integrated coverage of these three key activities and also provides special attention to digital tools for invention and research. Offering a unique, entertaining, and personal author voice, The Curious Writer is sure to grab students' interest and motivate them to write.

The Curious Writer, Brief Edition, MLA Update Bruce Ballenger, 2017-01-30 For courses in First Year Composition/Rhetoric. This version of The Curious Writer Brief Edition has been updated to reflect the 8th Edition of the MLA Handbook. April 2016. Puts inquiry at the heart of good writing.
