## **The Curse Cubs Win Cubs Win Or Do They:**

*The Curse: Cubs Win! Cubs Win!... Or Do They?* Andy Van Slyke, Rob Rains, 2010-07 Could this finally be the Cubs season This thrilling fictional journey involves much more drama and action than just winning and losing games on the field More than just a baseball novel this is a story about the bond that exists between fathers and sons between a team and its fans and the dangers of the lust for power glory and money

**St. Louis Cardinals** Rob Rains, 2017-06-06 The St Louis Cardinals are a team steeped in history and a winning tradition For proof look no further than the epic 2011 World Series The secret to their success It s those special players who have been lucky enough to don the Birds at Bat But whatever happened to those players once the bright stadium lights were dimmed and the cleats were hung up for good St Louis Cardinals Where Have You Gone provides the fascinating answer as the authors catch up with over thirty five former Redbirds in this one of a kind volume Fans will delight in hearing about the post baseball careers of stars from every era Dick Groat shares his return to the sport closest to his heart basketball Bob Tewksbury hits the books and learns to write papers again as he completes his master s degree in sport psychology and Vince Coleman shares his playing skills with a new generation as a minor league coach and celebrity golfer Life after baseball can be an unforeseen business venture a few rounds of charity golf 788 acres of seclusion a minor league dugout a PhD or a blessing in disguise whatever the outcome it s always an adventure any true Cardinals fan would love to share

**Wrigley Regulars** Holly Swyers, 2010-07-20 Holly Swyers turns to the bleachers of Chicago s iconic Wrigley Field in this unique exploration of the ways people craft a feeling of community under almost any conditions Wrigley Regulars examines various components of community through the lens of the regulars a group of diehard Chicago Cubs fans who loyally populate the bleachers at Wrigley Field In a time when many communities are perceived as either short lived or disintegrating the Wrigley regulars have formed their own thriving set of pregame rituals ballpark traditions and social hierarchies Swyers examines the conditions practices and behaviors that help create and sustain the experience of community At Wrigley Field these practices can include the simple acts of scorecard keeping and gathering at the same location before each game or insisting on elaborate rules of ticket distribution and seating arrangements as well as more symbolic behaviors and superstitions that link the regulars to each other A bleacher regular herself Swyers uses a qualitative approach to define community as the ways in which people arrive at an awareness of themselves as a group with a particular relationship to the larger world The case of the regulars offers a challenge to the claim that community is eroding in an increasingly fragmented and technologically driven culture suggesting instead that our notions of where we find community and how we express it are changing

**The Cubs Win It All!** Stanley Phillips, 2016-11-23 The Cubs Win It All is a revision which enhances and replaces the original amusing tale presented in the novel Murphy Billy Goat Curse In The Cubs Win It All I again take a fantasy approach in explaining how the curse is actually lifted during the fifth game of the 2016 World Series allowing the Cubs go on to become Baseball s World Champions The Cubs Win It All Finally the wait is over after 108 years the Chicago Cubs have been crowned World Series Champs What fans around the world do not understand is that this event was never supposed to take place This only comes about because the curse which was placed upon the team decades ago was miraculously lifted during the fifth game of the series The scourge in question was simply named The Billy Goat Curse which when unraveled becomes a series of misunderstandings grudges and blindness Although there are some who believe they know the truth the individual who was truly scorned was not Billy Sianis but it was Murphy the Goat Thus this is the reason behind the creation of this story The Cubs Win IT All The Cubs Win It All is a fun packed fantasy for all ages born out of the frustrations of Chicago Cubs fans had over the fact their beloved team had not won a World Series since 1908 There are many who feel the main reason for the drought was due to the Billy Goat Curse which came to life in 1945 The so called curse came to be on October 6 1945 when Billy Sianis a well known Chicago saloon owner brought his pet goat Murphy to the fourth game of that year s World Series When asked to remove his goat from Wrigley Field he was insulted Upon leaving he uttered the now infamous words Them Cubs they ain t gonna win no more When Frain s army of ushers heard those words they contributed the curse to Sianis However Murphy was the one who actually put the curse on the Cubs Seeing he was the one who was insulted it was only natural Unbeknownst to the Cubs fans the only way to break the curse was for someone from the Cubs organization to apologize to Murphy personally Of course as of 2016 the biggest problem with that happening is Murphy has been dead for many years However in the spirit of Fair Play Murphy the Goat armed with the gift of speech is forced to return to Earth to lift the curse Murphy being very persistent and annoying has a stipulation He will lift the curse only if and when he gets his apology But Murphy isn t the only one with a stipulation No one is going to allow him back in to his reward until he lifts the curse In need of earthly assistance Murphy goes to the Billy Goat Tavern in Chicago in October 2016 It is here Murphy is to meet a troubled young man named Daniel Talbert who is supposed to assist him in this endeavor When they meet Daniel has his own problems Thus from the start he has no intention of having a talking goat around

especially as the two continue to butt heads However his biggest problem is his wife Sara believes he has lost his marbles Eventually Murphy and Daniel come to the realization they must change their ways and join forces in order to arrive at the happy conclusion for all concern The basic idea of the novel was originally presented in the novel Murphy Billy Goat Curse All it takes to actually make the dream come true is to have the curse lifted In The Cubs Win it All that is just what happens during the fifth game of the 2016 World Series
