The Devil In Gods Land An Eritrean Play:

The Devil in God's Land Bereket H. Selassie, 2011 This is a Drama based on contemporary political realities in some African countries which arrived at liberation through armed struggle Eritrea God's land according to the ancient Egyptians is an example of a country and society in convulsion because of the abandonment by its leadership particularly among the ex combatants of the lofty principles of democracy serving the people equality and solidarity aspirations that characterized the rhetoric of the revolution The incidences and personalities in it are however purely fictitious although similarities are bound to exist since the principles during the wars of liberation and the abuses thereafter tend to be the same in all undemocratic countries Poetic license has been used to draw characters from the army students political dissidents and political opportunists the Catholic Church and a nun who escapes rape but is martyred in the process of resistance This is a drama with elements of suspense farce comedy and tragedy woven in a way that will not fail to move the reader in and outside Eritrea by the in depth understanding of the inside workings and intelligence of a contemporary African dictatorship The African Book Publishing Record ,2012 *The Devil's God* Daniel Lazaros Shahbaz Ali, 2025-02-22 The Devil's God In a small tranquil village in Pakistan where life is simple but steeped in rigid orthodoxy a boy named Bitto dares to do what no one else would question the very foundations of faith In a society where blind belief reigns supreme and the courage to seek answers is stifled Bitto embarks on an extraordinary journey of discovery From the dusty streets of his village to the grand cities of faroff lands Bitto dives deep into the world's great religions Islam Christianity Judaism and beyond immersing himself in sacred texts philosophies and rituals Along the way he transforms shedding old beliefs and embracing new ones challenging the conventions of every culture and community he encounters But seeking the truth comes at a cost Bitto's relentless quest for the divine draws ire and alienation from those around him With every step he offends the orthodox unsettles the faithful and disrupts the norms of society Yet through it all Bitto remains undeterred driven by an insatiable desire to unearth the essence of divinity and uncover what it truly means to live a life of faith or to reject it entirely The Devil's God is a bold transformative tale of courage selfdiscovery and spiritual awakening It challenges conventions explores the depths of human belief and ultimately asks what does it mean to find the divine in a world that fears questioning it **Padre from the Monastery to the Forest** Hiabu H. Hassebu, 2010-07 I initiated my book by giving the title Padre just to designate my life story in the monastery I added the subtitle From the monastery to the forest to highlight the content of my memoir As the Abyssinian saying goes GuYiY Kab MeWal KiSad MiHaz instead of running non stop better to be on the hill top as an author I was highly calibrated with that passion of telling a story As there is no Asha Misila silly sayings I was sure enough not to run aimlessly at the end do nothing I believed in the short blessing of my father and the recitation of my mother's rosary If I am here or there it was only for their blessings Me and Beyene Padre lived in the same religious congregation served the same poor people and committed to the same principles Beyene was struck by the initial crises to leave the congregation at his

early age to joining the liberation front The year was 1977 I was hit by the mid crises to live the life of an immigrant in USA at the age of 40 The year was 1997 Two crises for two individual brothers happened at different place and different times My book presentation could confuse my readers That was my greatest fear when I was compiling it as a book I was trying to make an issue to everything that had fallen on my eyes One experience one battle one struggle I wish I would have mentioned all the names and lives of all with whom I had direct contact In my case I was very selective **African Arts** ,1995 **Press Digest** ,2003 **Canadian Periodical Index** ,1993 **Forthcoming Books** Rose Arny,1992-10
