The Devils Advocates Greatest Closing Arguments In Criminal Law:

The Devil's Advocates Michael S Lief,H. Mitchell Caldwell,2006-08-29 Publisher Description The Humanity of Justice Burke E. Strunsky,2012 Against the backdrop of his most haunting high profile murder and child abuse cases a veteran prosecutor goes beyond an insider s reflection to shine a light on the humanlike qualities personified in the U S criminal justice system and what this means for our future The Humanity of Justice is a procedural true crime book told through the eyes and heart of a veteran criminal prosecutor who cares about the people he meets and their life altering circumstances Burke E Strunsky a senior deputy district attorney in southern California takes the reader inside the courtroom for some of the most haunting criminal cases in the state as well as the nation including a highly respected church leader who brutally murders his wife for the insurance money while their baby sleeps peacefully in another room a twisted father who sexually molests his daughter s own friends at her slumber parties a former police chief who drowns his wife of thirty years in their backyard spa and a young man who sadistically tortures and kills a helpless three year old boy yet manages to dodge the death penalty Strunsky s own impassioned social and moral commentary is woven throughout this thought provoking book on issues significant to the world of criminal justice Even in the midst of the darkest stories the voices and courage of the victims and those who love them will leave the reader touched and inspired 100% of the proceeds from this book will be donated to The Humanity of Justice Foundation a non profit organization to help prevent child abuse and neglect

Fragmentation in Ancient Greek Drama Anna A. Lamari,Franco Montanari,Anna Novokhatko,2020-08-10 This volume examines whether dramatic fragments should be approached as parts of a greater whole or as self contained entities It comprises contributions by a broad spectrum of international scholars by young researchers working on fragmentary drama as well as by well known experts in this field The volume explores another kind of fragmentation that seems already to have been embraced by the ancient dramatists quotations extracted from their context and immersed in a new whole in which they work both as cohesive unities and detachable entities Sections of poetic works circulated in antiquity not only as parts of a whole but also independently i e as component fractions rather like quotations on facebook today Fragmentation can thus be seen operating on the level of dissociation but also on the level of cohesion The volume investigates interpretive possibilities quotation contexts production and reception stages of fragmentary texts looking into the ways dramatic fragments can either increase the depth of fragmentation or strengthen the intensity of cohesion *Ethics in Ancient Greek Literature* Maria Liatsi,2020-08-24 Interpretation of ancient Greek literature is often enough distorted by the preconceptions of modern times especially on ancient morality This is often equivalent to begging the question If we think e g of aret which has different meanings in different contexts we shall think in English or in Modern Greek or in French or in German and shall falsify the phenomena If we are to understand the Greek concept e g of aret we must study the nature of the situations in which it is applied For it is an important fact in the study of Greek society that the Greeks used the one word e g aret where we use

different words If we are to understand properly the texts we have to view them in their historical and social context Ancient Greek thought needs to be studied together with politics ethics and economic behaviour Moreover the best insights can be found in those who confine themselves to the terms of each ancient author's analysis From this principle each of the contributions of the volume begins

Trials of the Century Scott P. Johnson, 2010-10-06 This comprehensive set of essays documents the most important criminal civil and political trials in the United States from colonial times to the present examining their impact on both legal history and popular culture Crime and punishment are of perennial interest across the human species *Trials of the Century* An Encyclopedia of Popular Culture and the Law examines some of the most important and infamous cases in American history placing them in both historical and legal context Among the landmark cases considered in these two volumes are the 1692 Salem Witch Trials the Scopes Monkey Trial and the O J Simpson murder trial A number of civil lawsuits and political trials are also included such as the impeachment trials of Presidents Andrew Johnson and William Jefferson Clinton Entries in the encyclopedia detail the events leading to each trial and introduce the key players with a focus on judges lawyers witnesses defendants victims media and the public In addition the aftermath of the trial and its impact are analyzed from a scholarly yet straightforward perspective emphasizing how the trial affected the law and society at large

Angela Carter and Western Philosophy Heidi Yeandle, 2016-12-10 This book unearths Carter's deconstruction of the male dominated discipline of Western thought Revealing the extensive philosophical research that underpins Carter's intertextual work this book offers new readings of her fiction in relation to a range of philosophical texts and ideas By re-examining Carter's writing with reference to the archived collection of her notes that has recently become available at the British Library *Angela Carter and Western Philosophy* puts forward new interpretations of Carter's writing practices With chapters examining her allusions to Plato Hobbes and Rousseau Descartes Locke and Hume Wittgenstein and Ryle as well as Kant and Sade this book illuminates Carter's engagement with different areas of Western thought and discusses how this shapes her portrayal of reality identity civilisation and morality *Angela Carter and Western Philosophy* will be of interest to researchers lecturers and students working on contemporary women's writing philosophy and literature and intertextual literary practices
