## **The Discerning Of Spirits:**

The Discerning of Spirits Frank Hammond, 2014-11-17 The gift of discerning of spirits is a powerful weapon in the Christian's arsenal. When God calls us into ministry, He equips us. God has called all of us into spiritual warfare and spiritual battle. His Church will be a militant Church and the gates of hell shall not prevail against her. The weapons God supplies us with are not carnal or fleshly weapons but spiritual ones; they are mighty through God to the pulling down of strongholds. We are equipped by God for spiritual warfare through the gifts of the Holy Spirit mentioned in 1 Corinthians 12. God has said that these are the channels through which His power will flow, the avenues through which His Holy Spirit will operate. Chief among these gifts for the ministry of deliverance is the gift of discerning of spirits. We must rely upon the Holy Spirit for the ministry of deliverance and nothing else, not the arm of the flesh or the voice of demons. Frank Hammond explains the application of this gift to the believer and provides examples of how it has worked in his own ministry. He concludes with a prayer of impartation for the reader to receive this gift and the gifts of knowledge, wisdom, and faith.

**The Discernment of Spirits** Wendy Love Anderson,2011 Anderson succeeds in neatly fitting together selected pieces of the history of discernment of spirits to provide a valuable readable description of the contours of its evolution in the late Middle Ages Debra L Stoudt Virginia Polytechnic Institute and State University The Medieval Review Late medieval Christians lived in a world of visions but they knew that not all visions came from God angels demons illness nature or passion could also inspire an apparent divine visitation During

the thirteenth and fourteenth centuries the involvement of visionaries in everything from reform movements to military campaigns to papal schisms raised the political and spiritual stakes of determining whether or not a vision was truly from God. In response a diverse group of medieval thinkers including men and women clergy and laity visionaries and theologians gradually began to transform the loose patristic readings of Pauline *discretio spirituum* into a system with the potential to distinguish between true and false visions and between genuine and delusional visionaries. Wendy Love Anderson chronicles the historical political and spiritual struggles behind the flowering of late medieval mysticism and what came to be seen as the Christian doctrine of discernment of spirits.

**How to See the Holy Spirit, Angels, and Demons** Gordon James Klingenschmitt, 2013-12-01 Are God angels and demons really invisible? Or can the spirits be seen with human eyes through the lens of Church Ethics? The gift of discerning of spirits is indispensable to the study of church ethics. Ignatius of Loyola founder of the Society of Jesus Jesuits wrote two sets of Rules for Discerning of Spirits in his *Spiritual Exercises* in the early 1500s. He taught how the church can receive from God the gift to see otherwise invisible angels demons and the Holy Spirit. Ignatius' views were influenced by John Cassian Jacobus de Voragine Ludolph of Saxony and Thomas Kempis. Ignatius' Rules are exegeted in dialogue with contemporary scholars Karl Rahner Hugo Rahner Piet Penning de Vries Jules Toner and Timothy Gallagher and applied to one study of ecclesial ethics in the narrative theology of Samuel Wells. A four step Ignatian pneumatological method is developed which any analyst can follow to see the spirits by consolation desolation consent manifestation and pneumatological ethics. This method revolutionizes how we study ecclesiology soteriology missiology world religions liturgy worship Eucharist hermeneutics homiletics pastoral counseling church history and politics. The spirits are not invisible at all. They can be clearly discerned through the lens of ecclesial ethics.

Early Christian Discernment of Spirits Elisabeth Hense, 2016 Based upon a comparative analysis this book argues that early notions of discernment of spirits

are not superior to later ones Discernment of spirits is not a matter of an apostolically fixed ideal that should be traditionally cleaved to but above all is a continual re shaping and restructuring of this tradition Christians were not expected to imitate the discernment of others but rather were encouraged to make judgments for themselves Dr Elisabeth Hense is Assistant Professor for Spiritual Theology at Radboud University Nijmegen NL *Discerning the Spirits* André Munzinger,2007-08-02

How did Paul determine ethical and theological truth Were all believers expected to be able to discern the spirits 1 Corinthians 12 10 This 2007 study shows that discernment must be understood against the backdrop of an extensive hermeneutic by which Paul inherently relates ethical and theological knowledge Understanding the will of God requires noetic and existential transformation in short the renewal of the mind Romans 12 2 Munzinger argues that Paul implies a process of inspiration in which the Spirit sharpens the discerning functions of the mind because the believer is liberated from a value system dominated by status and performance The love of God enables all believers to learn to interpret reality in a transformed manner and to develop creative solutions to questions facing their communities For Paul authentic discernment is linked to a comprehensive sense of meaning *Understanding the Gift of Discernment of Spirits* Prophet Pd John,2024-06-07

VICTOR D'MONTE, 2019-12-09 We live in a day where people are searching for supernatural experiences. This has led to a lot of deception both in the World as well as within the Church. Not only did Jesus warn His disciples concerning false prophets but the first century Apostles also warned the Church of these prophets and teachers who went about deceiving sincere Christians. The need of the hour is to be spiritually alert so that we don't fall victim to deception. Discerning of spirits and false prophets is written for this very reason to equip the Body of Christ to discern the disruptive ways of the enemy. We trust that this book will help you to understand how the gift of discerning of spirits operates concerning false prophets, prophecies, angelic visitations and the spirit of Jezebel. **Discerning the Spirit Realm** Rebecca Greenwood, 2020-10-20 Partner with angelic activity and release God's breakthrough answers through prayer. Rebecca Greenwood believes that the key to effective warfare prayer is discerning what spiritual forces are at work around you. When you can sense the movement of God's Spirit and identify the enemy's tactics you can pray with power.

**The Gift of Discerning Spirits** Norvel Hayes, 1979-01-01 **The Chronicles of a Discerner** April Stutzman, 2020-10-08 So I am a discerner now. What maybe that was your question as you picked up this book. Perhaps you are more mature in discernment and surprised that someone has written about it but you are reading it out of curiosity. Either way the Holy Spirit is going to meet you where you are. Holy Spirit has something amazing in store for you to help you navigate this gift. I feel His heart on it. Many discerners have had the gift since birth but have been unsure of what they carry. They have been misunderstood, isolated and rejected. Here are some insights to this book. What Is Discerning of Spirits? Help What Do I Feel? Discerning the Angels, Discerning the Holy Spirit, Discerning Human Spirits, Motives, Discerning Demons, Discerning the Glory. If you are one seeking to be mentored in the things of the Spirit, the good news is you hold in your hand the priceless personal insights of one who has gone before you. In this book April Stutzman reveals her very personal journey of discovery into the Discerning of Spirits. Not many people are prepared to share what you will read here for fear of being ridiculed, thought strange or a misfit. However, if you have ever picked up thoughts that were not your own, received unexplainable feelings on certain parts of your body or sensed or seen angels, then it's likely you were operating in the discerning of spirits. April provides wisdom in how she learned to navigate these experiences. The sad truth is many misunderstand these glimpses into the world of spirits around them and consequently fail to reach the fullness of their spiritual potential. Discerning of spirits is a complementary gift and for that reason it is often overlooked. However, this gift of the Holy Spirit enhances and fine-tunes all the other gifts including deliverance, counsel, dream interpretation and the delivery of prophecy. This is a timely and an easy-to-read journey of her book. Adrian Beale and Adam F. Thompson, Authors of *The Divinity Code to Understanding your Dreams and Visions*. It would be difficult to imagine a better moment in history for a
