The Disinherited A Story Of Family Love And Betrayal:

The Disinherited Robert Sackville-West, 2014-04-24 In the small hours of the morning of 3 June 1914 a woman and her husband were found dead in a sparsely furnished apartment in Paris It was only when the identity of the couple was revealed in the English press a fortnight later that the full story emerged The man Henry Sackville West had shot himself minutes after the death of his wife from cancer but Henry s suicidal despair had been driven equally by the failure of his claim to be the legitimate son of Lord Sackville and heir to Knole The *Disinherited* reveals the secrets and lies at the heart of an English dynasty unravelling the parallel lives of Henri s four illegitimate siblings in particular his older sister Victoria who on becoming Lady Sackville and mistress of Knole by marriage consigned her brothers and sisters to lives of poverty and disappointment

The Disinherited Robert Sackville-West, 2015-03-03 In the small hours of the morning of June 3 1914 a woman and her husband were found dead in a sparsely furnished apartment in Paris Only when the identity of the couple was revealed in the English press a fortnight later did the full story emerge The man Henry Sackville West had shot himself minutes after the death of his wife but Henry s suicidal despair had been driven equally by the failure of his claim to be the legitimate heir to Knole one of the largest and stateliest houses in England Henry s father Lord Sackville had been introduced to Pepita de Oliva a beautiful Spanish dancer born in the backstreets of Malaga in 1852 Their affair lasted until Pepita s death in 1871 and produced five children of whom Henry was the youngest One of his older sisters Victoria would eventually become mistress of Knole through a judicious marriage But Henry and the other illegitimate members of the family Max Flora and Amalia were gradually eased from the historical record The *Disinherited* rescues them from the shadows to which they had been consigned revealing the secrets and lies that lay at the heart of an English dynasty It is an absorbing and moving tale of sibling rivalry as the brothers and sisters struggle for their father s love and against the stain of illegitimacy that had condemned them to lives of poverty and disappointment

Illegitimacy in English law and society, 1860-1930 Ginger Frost, 2016-06-01 Unlike most other studies of illegitimacy Frost s book concentrates on the late Victorian period and the early twentieth century and takes the child s point of view rather than that of the mother or of child saving groups
