Remarks on the Contrary Extremes of Infidelity and Enthusiasm in Eight Discourses Delivered Before the University of Oxford at St Mary s in the Year MDCCCXI at the Lecture Founded by the Late Rev John Bampton On thofe particulars which create a difference of opinion among Chrifians the Author has endeavoured to exprefs himfelf 0 as to give as little offence as poifible He trufis that his fentiments are unprejudiced and wifhes to refpee c all who may differ from him on confcientious motives The cenfures which may be found in thefe Difcourfes are not de figned for any particular denomination of Chrifians they apply only to the prefump tucus and felf fufficient to whatever commu nion they may belong While he laments the exifence of fchifm he is the friend of uni verfal toleration and while he condemns the arrogance of the illiterate he cannot but re fpeet talents and knowledge wherever they may be found But while the Church is af perfed by illiberality however painful contro verfy may be its true friends muſi fiand for ward in its defence and while a fpirit exifis which is intolerant and uncharitable and which would prove fubverfive of found learn ing and dignified religion caution cannot be too warmly or too frequenti 7 recommended About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in

undesigned III Scripture itself explicitly states the plan on which revelation has been constructed It is not found formally expounded in any one place but there are a variety of statements which in their combination form a logical consistent and perfect whole The necessity imposed upon men of studying and combining these separate statements is so thoroughly in accordance with the whole mode Of God's teaching both in the scheme of Scripture and the scheme Of Divine Providence altogether that no Objection can be raised to the one that is not equally fatal to the other The very fact that these statements are scattered up and down the Bible equally proves a Divine intention and disproves a human intention The line Of thought thus Opened rebukes all human speculation and makes it necessary for the student to follow strictly and solely the revealed declarations Of God Himself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
