The Divine Province Birthing New Earth:

The Divine Province: Birthing New Earth Ed Rychkun,2013-01-07 In The Divine Province Jaemes McBride and Ed Rychkun answer a 26 000 year old question of how we manifest and maintain the Golden Age They bring into reality the New Earth consciousness unfolding during the End Times Taking readers on a 6000 year journey of Old Earth they expose how Earthlings have been ruled by Elite powers and how their means of conquest has been religion and commerce under a corporate model of PLANET EARTH INC Learn how the silent dominion has separated the Earthlings from spirit accepting the physical slavery of the body vessel disguising the truth of who they are Now at the end of a 26 000 year cycle a new consciousness has awakened multitudes of sleeping imprisoned souls to bring a New Earth into awareness threatening the Rulers dominion and their business plan of the New World Order It is about an awakening of who we are Learn how the Divine Province has rapidly evolved as an expression of the new consciousness See how it is now manifesting the physical birthing of New Earth bringing the means from above in 5D consciousness to below into 3D reality embodying the manifestation of peace love abundance and prosperity upon Old Earth Divine Province is rapidly being populated by Divine beings of Light expressing themselves through Divine physical vessels who know who they are In this book the authors reveal how through rising above polarity and fear one can choose the path leading to the alchemical gold of the Golden Age under Divine Province

Supernatural Miracles : Traveling in the Spirit, Visions and Dreams Dr. Venkat Potana,2026-01-04 Foreword As a

doctor of physical therapy I have devoted my career to understanding the intricate design of the human body Terms such as musculoskeletal alignment neuromuscular coordination postural stability and rehabilitation science remind us how fearfully and wonderfully made we are Modern medical science explains much about movement recovery and the body's capacity to heal yet there remain dimensions of restoration that no therapy or clinical method can fully address These are the moments when we recognize that healing is not only physical but also deeply spiritual Reading Dr Venkat Potana's book has been both refreshing and inspiring The author testifies of supernatural encounters visions dreams and journeys in the Spirit that reveal the living God's power to transform lives What struck me most as a medical professional is that this testimony does not conflict with science Physical therapy can realign joints and retrain muscles but it is God who brings wholeness Medicine restores function but the Spirit of God restores destiny Rather than being in opposition science and miracles often meet in harmony showing us that the Creator who designed the body also holds authority over its healing In my own practice I have observed recoveries that surpass textbook expectations Patients regain mobility faster than protocols predict pain vanishes in ways unaccounted for by treatment and individuals rise above their prognosis with renewed strength Clinical terminology may label these as atypical or exceptional outcomes but people of faith recognize them as miracles This book confirms that the supernatural dimension of healing is real and continues today complementing the best that science offers Dr Potana has written with conviction depth and clarity His pages are not merely stories they are living testimonies that invite readers into a greater reality For those searching for hope this book provides assurance For those in ministry it becomes a resource of encouragement And for those of us in the medical field it demonstrates that acknowledging the miraculous does not diminish our profession but enriches it I wholeheartedly recommend this work It is more than a book it is a witness of how God still moves among His people The experiences described here will inspire faith challenge doubt and open hearts to the truth that Jesus Christ is the same yesterday today and forever Dr Paramjit Singh Herbertpur Christian Hospital September 2025
