The Druid Revival Reader:

The Druid Revival Reader John Michael Greer, 2011-07 In the midst of the eighteenth century Enlightenment a handful of British intellectuals turned their backs on the social and cultural trends of their time and set out to reinvent the spirituality of the ancient Druids. The movement that rose out of this effort played a central role in struggles for cultural identity in most of the Celtic nations of Europe provided inspiration to such world class creative talents as William Blake and Frank Lloyd Wright and inspired an innovative tradition of Western nature spirituality that remains active to this day. The *Druid Revival Reader* provides the first collection of original writings from that movement. Its selections beginning with William Stukeley's survey of Druid theology from 1743 and ending with Ross Nichols 1947 essay *An Examination of Creative Myth* cover two centuries in the life of an evolving tradition. Edited and introduced by contemporary Druid John Michael Greer, *The Druid Revival Reader* is essential for understanding the sources of modern Druid and Pagan traditions and offers a wealth of insights relevant to the ecological and spiritual crises of our own time.

The Druid Magic Handbook John Michael Greer, 2008-02-01 The first and only Druidic book of spells, rituals, and practice. *The Druid Magic Handbook* is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets *The Druid Magic Handbook* apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike. This is the first manual of Druidic magical practice ever replete with spell work and rituals.

The Five-Minute Druid Sarah-Beth Watkins, 2024-01-26 *The Five Minute Druid* is written for those who are new to Druidry, struggling with their path or looking to find ways to connect or re engage in small, easy ways. From daily observations to five minute meditations, there is something for everyone struggling to include Druidry in their daily lives. You could be flat out at work with not a minute to spare, have a new baby in the house and many sleepless nights, or you could be housebound or recovering from an illness. Whatever the reasons, life sometimes throws up challenges that sway us from our path. This guide gives suggestions for how to support your practice and your self in short, manageable bursts, helping you to reconnect in just five minutes.

Druidry Handbook John Michael Greer, 2021-04-01 The classic guide to living a spiritual life rooted in Celtic antiquity and revived to meet the challenges of contemporary life. Druidry offers people a path of harmony through reconnection with the green Earth. *The Druidry Handbook* is the first hands on manual of traditional British druid practice that explores the Sun Path of seasonal celebration, the Moon Path of meditation, and the Earth Path of living in harmony with nature as tools for crafting an Earth honoring life here and now. From ritual and meditation to nature awareness and ecological action, John Michael Greer opens the door to a spirituality rooted in the living Earth. Featuring a mix of philosophy,

rituals spiritual practice and lifestyle issues The Druidry Handbook is an essential guide for those seriously interested in practicing a traditional form of druidry It offers equal value to eclectics and solitary practitioners eager to incorporate more Earth based spirituality into their own belief system
