The Dumb Bitch A Ratchet City Tale:

The Dumb Bitch Rashima Wilson,2015-11-17 Raised dirt poor in one of the worst parts of town La La is determined not end up like the generations of her family before her a mother when she s barely in her teens getting caught up in the drug game or just plain stuck living hand to mouth in the projects for the rest of her life She s got big dreams not to mention the rare combination of a sharp mind runway model looks and a killer bod all of which she plan on using to get the hell out of the ghetto But even the best laid plans have a habit of going to pieces especially in the hood La La finds that out firsthand when her ambitions cause her to cross paths with Dre a much more worldly and older man than the scrubs she s used to dealing with Showered with gifts and attention La La consciously chooses to overlook the strings that come attached to Dre s affection namely that he is a man with dangerous ties and associates Forced outside her comfort zone La La finds herself getting caught up in Dre s world Even worse her normally good judgment is being impaired by both her desire for the finer things in life and her growing physical needs as she struggles to answer one question is what she and Dre have real and worth risking everything for or is he simply using her the way she had planned on using him *A Ratchet City Tale 2: Dee's Story* Rashima Wilson,2016-05-24 Dee the hardscrabble hood rat from Ratchet City 1 is back with her own story Dee has always been a girl who knows how to hustle From the time she could walk she knew the value of a dollar and how to work for it You have to growing up on the streets of Ratchet City A natural beauty Dee s childhood in the ghetto and a slew of foster homes has given her a hard edge that belies her appearance Tough as nails and unwilling to take smack from anybody she s built to survive in a world where you re either the player or getting played Still even she may not be ready for what s ahead when she hooks up with Dre a much older man who knows how to get into a young girl s head among other things But Dre s not the kind of guy you bring home to meet Momma he s a man that trouble dangerous trouble follows around like it s attached with a chain And despite her ability to navigate treacherous waters Dee may be getting in over her head **A Ratchet City Tale 3** Rashima Wilson,2017-05-28 It s been five years since La La got locked away set up by people she trusted and sent away to prison Even for someone from the wrong side of the tracks that s a long time to be kept away from your family A long time to be held in check A long time to be locked in a cage like an animal But when you get on the bad side of someone like La La who s straight out the hood hard as nails and smart as a whip you don t give them five years to think about what you did to them Five years to reflect Five years to contemplate Five years to plan Now she s getting out Forged by prison life into being not just a survivor but a weapon the La La who s coming out is not the same girl who went in Her enemies won t see her coming and won t know what hit them All that s certain is that heads will roll
