**Some True Facts on the Easter Bunny with Colored Eggs and Baskets** Dana B. Albert,2022-05-04 This story is about a family sailing across the ocean to find a new country with dreams of living with freedom to worship God the same way that their ancestors had been raised They came from a country that put daily demands to follow unjust laws and strict rules ordered by the kings and no one could dispute the king in any matter without receiving a harsh punishment Landing on the New America with its rich soil and plentiful game the families knew the heartfelt trip was well worth the rough journey Each family would stay a few miles away of each other so they could harvest crops and build a home and barn or any type of storage area if they wanted The new adventure starts Having to live through a new unexplored environment of Rocky Mountains and wilderness with new types of foliage and unfamiliar wild animals was not easy Soon a hardship on this family developed when Father became very ill Here is how a clever design that the children made to help remember where the rabbit's dens were located and to trick the rabbits in

order to catch them This all started with the need to find the dens so they could catch one and take one home for dinner Food was very scarce during the winter months after all the fruit and vegetables crops that had been stored were eaten Hunting was a necessity to live This new way to hunt for small game became the talk of the settlement for miles around Sister along with Little Brother helped to show and teach other children how fun and easy it was to trick and hunt for rabbits    **High Mileage Hearts** Mile High Mileage Hearts Writers' Group,High Mileage Hearts Writers' Group,2006-08 Nine Southern Indiana writers share their experiences faith and chuckles in this collection of memories poems and short stories
