

Instagram Image Guide
The 4 Sizes You Should Know
since you're no longer limited to just squares.

Square

The traditional Instagram size has not changed. A perfect square or 1:1 aspect ratio.

1080x1080

1080x1080

Portrait

If you want to post a photo that is tall then the maximum display size is 1080x1350 or an aspect ratio of 5:4

Landscape

You can post horizontal images to be displayed at 1080x608 or a 16:9 aspect ratio.

1080x608

1080x1920

Stories

Instagram Stories cover the entire screen so a good general size is 1080x1920 or an aspect ratio of 16:9.

Recommendation

Stick to either the portrait or square orientations. They cover the most amount of screen real estate giving you maximum exposure.

Stagram Picks Guide Download

Peter Chandler

Stagram Picks Guide Download:

Instagram Marketing David J. Green, 2017-10 Instagram has undergone a complete metamorphosis from the iOS app it was originally designed for to a huge social media site with tons of benefits both for private individuals and businesses. Over the years the platform has shown no sign of losing its growth not with the backing of the mighty Facebook. That should reassure you that its growth in recent years is not a fluke but will continue for years to come. Page 4 of cover **Instagram Marketing Algorithms** Michael Gates, 2020-10-06 The way brands communicate with their existing and target audience has undoubtedly transformed. One of the main reasons for this transformation is the increase in the popularity of social networking platforms. These days an increasing number of brands are using visual media for communicating their brand's message. Social media has certainly revolutionized our lives. Instagram has stood the test of time and is now one of the most popular social networking platforms today. So if your brand isn't already on Instagram then there is no time like the present to get started. Instagram has been around for a while but not a lot of people know how to make the most of its features. The creators of this platform keep introducing new features along with changes to the algorithm. So it is quintessential that you stay on top of all the updates. In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits. You will be given information about the different benefits you can reap by using Instagram. You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand's Instagram profile. Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience. Marketing on Instagram and how you can increase your following are also discussed in detail in this book. A combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer. You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world. Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together. Use your brand or company name in hashtags the hashtags that you pick don't have to be complicated. If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags. This will make it easier for your followers to find you because they can just search the name and find some of your posts. Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers. Take the time to look over the pages of your followers and then like and share some of their posts. This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page. Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not. So if you are ready to learn more then let us get started immediately. **Mastering Instagram: A Step-by-Step Guide for All Ages and Devices** MR. BIG

WEALTH,2023-09-07 Mastering Instagram A Step by Step Guide for All Ages and Devices is the ultimate resource to help you unlock the full potential of Instagram Whether you're a social media newbie or a seasoned user this comprehensive guide will take you through every step from setting up your account to mastering the latest features and strategies With easy to follow instructions and tips you'll be able to create stunning content engage with your audience and grow your presence on Instagram like never before Don't just use Instagram master it with our step by step guide **Instagram User Guide**

[Instagram Influencer Secrets](#) Charlotte Sterling, 2019-04-05. WARNING: DO NOT READ THIS BOOK IF YOU HATE MONEY. Want to turn your Instagram followers into DOLLARS? Are you looking to build your business on Instagram and NEED the best strategy to get started? Keep on reading! *Instagram Influencer Secrets* is NOT going to tell you to purchase a following or to use silly scam accounts to gain bot followers. Why? Because none of those will actually make you a REAL influencer especially one who is going to be making money. An Influencer is a title you need to achieve. You need to earn that title because that's when you know your audience BELIEVES in you and whatever you have to say, they will listen. Okay.

Instagram marketing Got it But where the hell do I even start What hashtags do I use What photos should I be sharing Should I go follow everyone to get started What time do I post Do I respond to all comments Why do some people have emails and addresses and I can't do that If you're asking yourself all these answers good your taking steps in the right direction This isn't another crypto currency bandwagon you are joining It's time you join this community of businesses who have chosen to go above and beyond traditional marketing techniques to capture a whole new audience There is a goldmine of opportunity sitting in front of you and I'm going to show you how to mine it In this book you'll learn How to create the OPTIMAL Instagram handle and username The 1 MOST IMPORTANT thing you need before you start your Instagram journey and it's not your profile photo The secrets of the perfect customer profile and where to find them How to target customers who WANT to purchase and WILL purchase The secret behind the Instagram Algorithm and how you can take advantage of it for your business Why you should NOT just post as often as possible on Instagram The 5 marketing campaigns you need to run on Instagram that will ALWAYS convert 10 steps to create the perfect Instagram post How to capture an audience you don't have then convert them into customers Videos or Instagram Stories Which one converts better How to take your followers beyond Instagram and purchasing on your website How to build Instagram into your Marketing strategy in your business The BEST automation tools to use so you don't have to work anymore and many other tips and tricks But WHY Instagram What about Facebook isn't that an even larger user base I don't know if you've noticed but nowadays we have these new superheroes let's call them known as Influencers These people are leveraging social media to reach a massive audience of people all of which can become potential shoppers Instagram is home to nearly 1 BILLION monthly active users and 31% of these users earn more than 75k per year That's a lot of money floating around that you can tap into Facebook has more users yes but Instagram is home to the largest percentage of BUYERS We want people who are ready to buy and looking for someone to tell them what to buy That's where Instagram will always win and how you'll be winning next Look at your competitors are they killing it This is your kick in the butt to get started now it's never too late Even more reason you should buy this book and become an Instagram Influencer TODAY Even if you've never used Instagram in your life or don't have the slightest clue what a hashtag is this step by step guide will teach you everything you need to know You don't need a budget you can literally do everything in this book yourself and for free if you really wanted to All it takes is some time some hard work and this book So what are you waiting for Scroll up and buy this book now it's cheaper than a coffee **Instagram** Neo Monefa, 2015-02-10 Your Definitive Instagram Guide All You Ever Wanted to Know about The Amazing Instagram App Have you ever wondered what Instagram is Why do people use Instagram How Instagram can benefit you and how you can use this powerful app effectively Whatever your reasons for wanting to learn how to use Instagram this book is for you With Instagram Insider Tips and Secrets on How to Gain Followers and Likes that Work fast you will learn everything you need to know to make the most of the amazing Instagram app This book is action packed full of great ideas to help you get the most
