[After The Blackout](#) J.R. Rogue, 2021-09-28 Goodreads Choice Nominated poet J.R. Rogue's newest poetry collection, *After The Blackout*, explores the author's experiment to give up alcohol for a year. And how it transformed into a new way of life. Weaving between debilitating hangxiety and the gross marriage between alcohol and her sexual encounters, the author tears down memories and walls to expose the black and white definition of alcohol abuse society feeds us. And brings the stark truth to the surface: the face of alcohol use disorder can be anyone and any reason to give up alcohol is valid. This collection is about everything we lose and the ways we let ourselves go. And in the end, how to reclaim peace. **The Editor** Steven Rowley, 2019-04-02 From the bestselling author of *Lily and the Octopus* comes a novel about a struggling writer who gets his big break with a little help from the most famous woman in America. After years of trying to make it as a writer in 1990s New York City, James Smale finally sells his novel to an editor at a major publishing house: none other than Jacqueline Kennedy Onassis. Jackie or Mrs. Onassis, as she's known in the office, has fallen in love with James's candidly autobiographical novel, one that exposes his own dysfunctional family. But when the book's forthcoming publication threatens to unravel already fragile relationships both within his family and with his partner, James finds that he can't bring himself to finish the manuscript. Jackie and James develop an unexpected friendship and she pushes him to write an authentic ending, encouraging him to head home to confront the truth about his relationship with his mother. Then a long-held family secret is revealed and he

realizes his editor may have had a larger plan that goes beyond the page From the bestselling author of *Lily and the Octopus* comes a funny poignant and highly original novel about an author whose relationship with his very famous book editor will change him forever both as a writer and a son **The Road to You** Melissa Toppen,2017-12-21 Life is full of choices of chances of moments Chances we regret not taking Choices we wish we could change And then there are the moments that define us Kam was my choice The one who stole my heart instantly Kane was my chance The one who set me ablaze with just one look They were my moment Two brothers that both owned a part of me Two brothers that I loved in different ways for different reasons One brother shattered my heart The other put it back together Both changed me forever **The Road to You** is a standalone contemporary romance **The Child Between Us** Alison Ragsdale,2022-09-29 My beautiful girl you are my missing piece You came into my life and changed everything placing your warm little hand in mine and looking up at me with your sky blue eyes so full of hope Little did we know what lay ahead but for a while at least we had each other When I first met you darling Marina you were just five years old You took my breath away with your long dark waves and pink cheeks You needed me and I instantly knew I'd do anything to protect you When six years ago my heart was shattered I was left utterly broken but I didn't know just how lost I was until you filled that hole in my heart You quickly became the centre of my world your sweet laugh my favourite sound But then things started to change I put my pain down to work stress but when the diagnosis came through it was worse than I could ever have imagined Our world is about to come crashing down around us little one and I don't know how to stop it I've finally discovered the truth behind the betrayal that rocked me to my core all those years ago The pain of my past could be the one thing that saves us or tears us apart We're just becoming a family Marina should I risk everything to trust the one person who hurt me They could be your only hope We only have each other But if I don't make it what will happen to you **The Child Between Us** is a heart wrenching story about an impossible choice and what it really means to be a mother Readers who love Kate Hewitt Jodi Picoult and Diane Chamberlain will be utterly gripped What readers are saying about **The Child Between Us** It was impossible to put the book down My heart was torn into so many pieces with each painful decision change that had to be made I had tears flowing and the tissue pile was building up beside me A truly poignant sensitive and heartbreaking story Goodreads reviewer Do not read this book unless you want to cry What an emotional story Relationships mending loving characters but get the tissues Goodreads reviewer This book was a rollercoaster of emotions as it kept tearing my heart into pieces This book is one of my best reads of 2022 so far and will stay with me for a long time Goodreads reviewer I read this book in one sitting It is gripping and poignant and there was no way I was putting it down until I finished every single word This story will evoke tears as you walk beside the characters and just wish you could reach inside the pages to hug someone Goodreads reviewer Heartbreaking I advise anyone reading this to have a large box of tissues close by Goodreads reviewer Wow The emotion will have you in tears and you won't want this story to end There are not enough words to describe how this story made me feel AMAZING Bookworm **A Flicker in the**
