If you do not have a bank account or debit card but want to use PayPal to hold, send, and receive funds, you will need to confirm your identity by providing identifying documents to PayPal.
- If you do not have a bank account or debit card, you can still verify your account by providing proof of identity. To do so, go to <https://www.paypal.com/policy/identity> in a web browser, sign in, and enter the requested information. The verifier will then verify your account.
