*The ^AMandaeans* Jorunn Jacobsen Buckley,2002-11-14 The Mandaeans are a Gnostic sect that arose in the middle east around the same time as Christianity What little study of the religion there has been has focused on the ancient Mandaeans and their relation to early Christianity Buckley examines the lives and religion of contemporary Mandaeans who live mainly in Iran and Iraq but also in New York and San Diego She provides a comprehensive introduction to the religion and shows how its ancient texts inform the living religion and vice versa The Mandaeans Edmondo F. Lupieri,2001-11-07 The book is made even more valuable by the inclusion of an extensive anthology of translated Mandaean texts complete with notes This collection of writings presents the spiritual world of Mandaeanism with fragments of mythical theological texts and pages of ethical and historical meditations BOOK JACKET **John the Baptist and the Last Gnostics** Andrew Philip Smith,2016-08-16 This fascinating study of the Mandaeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity Among the casualties of western intervention in Iraq and ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the center of their religious life and the primary exemplar of their religion is none other than John the Baptist So what is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond **The Mandaeans--Baptizers of Iraq and Iran** Karen Baker,2017-09-28 The secrets of a complex belief system that have sustained the Mandaeans in their centuries old native lands in Iraq and Iran have been collapsing before their eyes This little known Gnostic sect has been hidden from global awareness until now With a passion for the obscure Karen Baker has delved into this secret sect exploring the effects of the turmoil they have faced in their homeland and are now facing in Diaspora The Iraqi and Iranian Mandaeans have fled their homes with nothing more than the clothing on their backs being thrust into the status of refugees watching their traditions and cultures crumble as they encounter new lands and new cultures This book discusses the potential receptivity of Mandaeans to Christianity through several perspectives including an evaluation of their relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism Christianity and Islam It will be of interest to those interested in little known cultures from a historical and religious perspective those involved with refugees and immigrants and those who desire to understand the foundational beliefs of Mandaicism From Sasanian Mandaeans to Sābians of the Marshes Kevin T. Van Bladel,2017-02-06 This historical study argues that the Mandaean religion originated

under Sasanid rule in the fifth century not earlier as has been widely accepted It analyzes primary sources in Syriac Mandaic and Arabic to clarify the early history of Mandaism This religion along with several other shorter lived new faiths such as Kentaeism began in a period of state sponsored persecution of Babylonian paganism The Mandaean would survive to become one of many groups known as Sabians by their Muslim neighbors Rather than seeking to elucidate the history of Mandaism in terms of other religions to which it can be related this study approaches the religion through the history of its social contexts

**The Knowledge of Life** Sinasi Gündüz,1994 A survey of the historical and religious problems involved in the interconnection between the Sabians of the Qur'an the Mandaeans of southern Iraq and the Sabians of Harran in northern Mesopotamia This is the third in the new series of Supplements to the Journal of Semitic Studies OUP These supplements will be published in hardback and sold as books they will not be available as part of the subscription to the Journal

**The Mandaeans** Edmondo Lupieri,2002 In an engaging style that mirrors the interesting nature of his subject Edmondo Lupieri portrays the traditional way of life of the Mandaeans still found living today in Iraq and Iran and introduces readers to the world of Mandaean ideas including the view that they are the only ones on earth who possess the true and oldest faith

**Mandaeans of Iraq and Iran** Lady Ethel Stefana Drower,1937

**The Mandaeans** Jorunn Jacobsen Buckley,2002-11-14 The Mandaeans are a Gnostic sect that arose in the middle east around the same time as Christianity What little study of the religion there has been has focused on the ancient Mandaeans and their relation to early Christianity Buckley examines the lives and religion of contemporary Mandaeans who live mainly in Iran and Iraq but also in New York and San Diego She provides a comprehensive introduction to the religion and shows how its ancient texts inform the living religion and vice versa

**The Mandaean Book of John** Charles G. Häberl,James F. McGrath,2019-11-18 Given the degree of popular fascination with Gnostic religions it is surprising how few pay attention to the one such religion that has survived from antiquity until the present day Mandaism Mandaeans who esteem John the Baptist as the most famous adherent to their religion have in our time found themselves driven from their historic homelands by war and oppression Today they are a community in crisis but they provide us with unparalleled access to a library of ancient Gnostic scriptures as part of the living tradition that has sustained them across the centuries Gnostic texts such as these have caught popular interest in recent times as traditional assumptions about the original forms and cultural contexts of related religious traditions such as Judaism Christianity and Islam have been called into question However we can learn only so much from texts in isolation from their own contexts Mandaean literature uniquely allows us not only to increase our knowledge about Gnosticism and by extension all these other religions but also to observe the relationship between Gnostic texts rituals beliefs and living practices both historically and in the present day

**The Mandaean Rivers Scroll (Diwan Nahrawatha)** Brikha Nasoraia,2022-09-30 This book features detailed analysis of an ancient secret scroll from the Middle East known as the Rivers Scroll or Diwan Nahrawatha providing valuable insight into the Gnostic Mandaean religion This important scroll offers a window of

understanding into the Mandaean tradition with its intricate worldview ritual life mysticism and esoteric qualities as well as intriguing art The text of the Rivers Scroll and its artistic symbolism have never before been properly analyzed and interpreted and the significance of the document has been lost in scholarship This study includes key segments translated into English for the first time and gives the scroll the worthy place it deserves in the history of the Mandaean tradition It will be of interest to scholars of Gnosticism religious studies archaeology and Semitic languages *The Mandaean Religion* E. S. Drower, Jorunn Jacobsen Buckley, 2002 A study of all aspects of Mandaean life The Mandaean Religion remains the work that brings the people alive No anthropologist has conducted fieldwork among the Mandaeans not even in recent decades and therefore Drower remains a singular figure *The Mandaean Gnostic Religion* Brikha H. S. Nasoraia, 2021 The Mandaeans commonly called the Followers of John the Baptist are the longest surviving Gnostics and this book is the first in depth study of their practices especially their baptismal rites and their teachings of deep knowing in mystical literature and fascinating stick figure art Mostly from Iraq and Iran through persecution the Mandaeans have been scattered around the globe **Mandaean Studies** Svend Aage Frederik Dichmann Pallis, 1926 **The Mandaeans** Maire M. Masco, 2012-03-01 A small community of Gnostics called the Mandaeans survived in the Persian Gulf region from the 2nd century CE into the present day The Mandaeans are the only culture that has practiced both Gnosticism and astrology continuously for more than 1800 years Mandaean astrology is a unique synthesis of Babylonian Hellenistic Arabic and Jyotisha Indian systems Astrological interpretations are recorded in the Sfar Malwa ia The Book of the Zodiac a book used exclusively by Mandaean priests for the benefit of the Mandaean community Analyses of the astrological techniques employed by the Mandaeans illustrate the cultural influences that converged in the early centuries of the Common Era The Mandaeans Gnostic Astrology as an Artifact of Cultural Transmission is the first study to consider the historical development of astrology using the Sfar Malwa ia to demonstrate the cross cultural influences in Persian Gulf This is an abridged edition of the MA thesis written by Maire M Masco in 2012 The thesis discusses the genealogical and mundane astrological techniques found in the Sfar Malwa ia or Mandaean Book of the Zodiac [The Mandaeans of Iraq and Iran](#) Lady Ethel Stefana Drower, 2002 **The Canonical Prayerbook of the Mandaeans**, **The Mandaeans of Iraq and Iran** Lady Ethel Stefana (Stevens) Drower, 1960 **"The" Mandaeans** [Anonymus AC08831880], 2010 *Mandaeism.
