The Master Key Keepers And The Doppelganger:

The Master Key Keepers and the Doppelganger VL Levy, 2007-01-08 Over two thousand years ago the sacred Ark of the Covenant mysteriously disappeared without a trace prophesized to return to the people and be opened at some undisclosed date symbolizing that the coming of the messiah is near That time has now passed Is the prophecy about to be fulfilled If so why is the Ark still missing What will happen if the Ark is found and opened More importantly who among us in the modern day world has God chosen to open it Consider if you will what you would do if Jesus flanked by twelve great masters mysteriously appeared before you relaying that you were responsible for guarding and mastering the keys to the Ark of the Covenant Armed with the knowledge that humanity's fate depended on their awareness that the prophecy was about to be fulfilled would you have the courage to tell them why you were here What if no one believed you Every few hundred years or so a messiah messenger or sage is sent to walk among the masses assigned to fulfill a sacred mission that will alter the course of humanity forever This time a team was sent in to open the most sought after historical biblical artifact the world has ever known the Ark of the Covenant The Master Key Keepers and the Doppelganger is a compelling true story of one family's journey as they experience magic and miracles beyond their wildest imaginations Find out how their mission will affect your future in this amazing book filled with page turning adventures The time is much closer than you may think
