## **The Message Of The Sphinx:**

**The Message of the Sphinx** Graham Hancock, Robert Bauval, 2009-06-10 NATIONAL BESTSELLER Two Egypt experts posit a revolutionary theory The Sphinx and other great Egyptian monuments are older than common history books tell us and are arranged in such a way as to send us a message from the silent past Graham Hancock is featured in Ancient Apocalypse a Netflix original docuseries Guardian of the ancient mysteries the keeper of secrets For thousands of years the Great Sphinx of Egypt has gazed toward the east its eyes focused on eternity reading a message in the stars that mankind has long forgotten And today as our civilization stands poised at the end of a great cycle it is a message that beckons insistently to be understood All the clues are in place Geology and archeo astronomy have already indicated that the lion bodied Sphinx may be vastly older than Egyptologists currently believe dating not from 2500 B C but from 10 500 B C the beginning of the astrological Age of Leo And we now know that the three pyramids of Giza standing on high ground half a mile to the west of the Sphinx are in fact a precise map of the three stars of Orion s belt formed in fifteen million tons of solid stone Are these monuments trying to tell us something And if so what In The Message of the Sphinx Robert Bauval and Graham Hancock present a tour de force of historical and scientific detective work that unravels the millennial code embodied in these structures Using sophisticated computer simulations of ancient skies they unravel the riddle of the Sphinx and they present a startling new theory concerning the enigmatic Pyramid Texts and other archaic Egyptian scriptures Their discoveries lead the authors to this question Does mankind have a rendezvous with destiny a rendezvous not in the future but in the distant past at a precise place and time The secrets can be kept no longer The Message of the Sphinx brings them to light

**The Message of the Sphinx** Graham Hancock, Robert Bauval, 1996 The authors of the bestselling Fingerprints of the Gods The Sign and the Seal and The Orion Mystery team up to posit a revolutionary theory that the Sphinx and the other great Egyptian monuments are of prehistoric origin and that they are arranged in such a way as to be a giant stone hologram sending a message to us from the silent past 16 pp of photos 30 line drawings *Summary of Graham Hancock & Robert Bauval's The Message of the Sphinx* Everest Media, 2022-04-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Great Sphinx is a monolith carved out of the limestone bedrock of the Giza plateau two hundred and forty feet long thirty eight feet wide across the shoulders and sixty six feet high It is worn down and eroded but nothing else that has reached us from antiquity even remotely matches its power and grandeur
