Bootcamp Suzanne Gilberg-Lenz, Marjorie Korn, 2022-10-11 I feel a thousand times smarter after reading Menopause Bootcamp Why does no one tell us As a woman approaching a certain age I m so grateful to Dr Suzanne for demystifying and educating on this very natural process with her compassion and humor and experience This book is so rich with important information that I can return to it for years to come Rashida Jones The doctor known for her Menopause Bootcamp gatherings shares her 360 degree holistic approach to this natural life stage in this empowering and joyful guide to help women not just survive this physiological and psychological transition but thrive Over the course of her twenty year medical career Dr Suzanne Gilberg Lenz noticed a shocking dearth of information and support for women beginning and experiencing menopause For too long this crucial stage in women s lives has been given perfunctory notice in medical schools and is often either a hidden secret or the punchline to a joke denying women the information and support they need This disregard coupled with the unconscious misogyny and ageism that run rampant in our culture portrays menopause as something to be afraid of and worse adds a patina of shame around the blessing of aging and the beginnings of a new normal and enriching phase in a woman s life Dr Suzanne as her patients call her believes that the 27 million women entering menopause each year deserve thoughtful candid modern holistic information about the physical and psychological issues that arise in this transitional stage including changes in libido metabolism body image and fears over genetic age related illnesses She contends that menopause is a whole life condition and deserves a wide ranging approach that combines meditation yoga therapy herbal supplements along with the most up to date science and conventional medical solutions Packed with answers to common questions and helpful insights infused with Dr Suzanne s expert but warm and sometimes laugh out loud honesty Menopause Bootcamp is a welcome invitation to embrace and even celebrate this remarkable developmental phase in the lives of women It s a welcome reminder that life doesn t end at menopause it s the start of something new and wonderful
