The Miracles Of Jesus:

The Miracles Of Jesus Hendrik van der Loos, 1965 *The Miracles* Simon J. Kistemaker, 2006-08-01 Most Christians know the stories of Jesus healing people and controlling nature but many are less sure why Jesus did these things or how they relate to their lives today Theologian professor and author Simon J Kistemaker carefully examines each of Jesus s miracles He lays out the cultural background explains symbolism and Old Testament connections and fleshes out the details of each story Each chapter also includes a section focused on how the miracle relates to the life of the modern follower of Jesus Kistemaker s scholarly attention to detail coupled with accessible explanations and application will make this book valuable to everyone from lay readers to pastors looking for sermon material The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God s message and His messenger s In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God s work in and for every believer will be fully and ultimately realized in the everlasting life *The Miracles of Jesus* Edward Klink, Casey F. The Miracles of Jesus Peter Negron, 2018-07-03 We live in a broken and fallen world and it is a world where people need help and often a miracle But today it seems as if miracles have become a part of the past We don't hear of many miracles and more people even some in the Christian community have stopped believing expecting or even waiting for a miracle So where are the miracles The Miracles of Jesus is for anyone who is interested in miracles needs a miracle or knows someone who needs a miracle from the Lord Author and pastor Peter Negron shares the inspirational and encouraging testimonies of real people with real miracles including the real miracles of Jesus that we can read about in the Word of God By showing you how to position yourself for a miracle these testimonies can help you to believe again in the love and mercy of God through his miraculous answers to our prayers Miracles are a sign from God and these miraculous signs help people believe in Jesus And while some may receive a sudden miracle many others must also make the effort to position themselves

in the right place take the right steps and put their faith in God In every case though we must simply trust in God and in his grace and mercy and through prayer we will be in a position of faith both for ourselves and for others in need of a miracle

The Meaning in the Miracles Jeffrey John, 2004 Explanations of Jesus's miracles often get stuck in their supernatural elements speculating whether such things could possibly have occurred Jeffrey John argues that this is to mistake the shell for the kernel The Gospel writers recorded the many miracles of Jesus not to provoke open mouthed amazement but rather to prompt readers to seek the deeper meaning inside each of these spectacular events A best seller in England and now available for the first time in the United States The Meaning in the Miracles is praised as a must have guide to Jesus's miracles John walks readers through each miracle story providing the biblical text then offering insightful commentary that first connects the event with other biblical themes and then makes clear its meaning for today Each discussion ends with a selection of relevant scripture passages quotes from literature and other material meant to aid in further personal reflection and prayer As John shows the stories of Jesus's miraculous works are loaded with prophetic and theological significance meant primarily to foster personal faith By reflecting on the depths and dimensions of meaning the Gospel writers intended to convey readers encounter afresh the One whose works of power were always a means of announcing the good news of his transforming love then and now bA delight considerable scholarship with a light touch Highly recommended b The Reader

The Miracles of Jesus and Their Flip Side Jerry L. Schmalenberger, 2000 The miracles of Jesus are some of the most striking passages in the New Testament they bring the power of God up close and personal by dramatically rearranging human situations and teaching us great spiritual truths But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities Jerry Schmalenberger has come up with an original solution in these thirteen well crafted sermons on miracle stories contained in the Revised Common Lectionary Using the analogy of old 45 rpm records which were usually released with a hit side and a flip side Schmalenberger shares a structure for presenting the miracles in narrative form He initially focuses on the traditional approach to each miracle the A or hit side and then offers a fresh look at the other side of the story the B or flip side Schmalenberger's punch contemporary language and narrative style produce hard hitting and inspirational messages that offer a unique twist in the interpretation of these fascinating stories Jerry L Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years serving some of the nation's largest Lutheran congregations Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley California he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America Schmalenberger has preached and taught throughout the world most recently teaching with the faculty of the Lutheran Seminary in Hong Kong Schmalenberger has also taught at seminaries in Germany Jamaica Argentina Surinam Indonesia and Liberia A graduate of Wittenberg University and Hamma School of Theology in Springfield Ohio where he received his D Min degree Schmalenberger was honored by

The Miracles of Jesus Vern S. Poythress, 2015-11-17 Christians often view Jesus s miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means

that the stories of Jesus's miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus's miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today **The Miracles of Jesus Christ Explained According to Their Spiritual Meaning** J. Clowes,1817 **The Miracles of Jesus Participant Guide** Rose Publishing,2016-06-16 This Miracles of Jesus DVD participant guide includes maps and pictures outlines key Scripture verses discussion questions plenty of room for note taking and a personal five day Bible study for each session The guide will help you get the most out of The Miracles of Jesus DVD study both in your group and in applying what you learn to your life

The Miracles of Jesus Karl Beth,1907 **The Miracles of Jesus** J. V. JOHN, One of the important means of Jesus to proclaim the gospel was miracles through which he attempted to lead the people to the faith in God and also the faith in him being the Son of God Jesus miracles can generally be classified into four as nature miracles healing miracles exorcism and miracles of bringing back to life This is an attempt to make a brief analysis of the miracles of Jesus their types characteristics different possible approaches to understand them and a theological overview *The Miracles in the Gospels* Keith Warrington,2016-01-01 Keith Warrington's book paints a compelling picture of Jesus as miracle worker It shows how miracles functioned as a strategy in his ministry and explains why some miracles are recorded differently in different Gospels In this magisterial study Keith Warrington paints a rounded picture of Jesus as a miracle worker by exploring each of the miracles in the Gospels in their literary and historical setting He demonstrates that while the miracles are historically authentic there are several reasons for their presence in the Gospels other than simply to identify Jesus as a miracle worker They are also intended to function as vehicles of teaching expressing aspects of the mission and person of Jesus providing lessons for his would be disciples and adding theological value for each Gospel's original audience **Miracles of Jesus** Richard S. Ascough,2003 Richard Ascough presents and interprets 27 miracles performed by Jesus during his public ministry Each miracle selected is both a demonstration of and a challenge to faith All four of the Gospels present Jesus as a miracle worker The stories show that Jesus preached the in breaking of God's kingdom while demonstrating its arrival through mighty works Together the miracles reveal Jesus concern for all people there are no ethnic social or gender barriers to God's care This book seeks to understand Jesus miracles in their social and literary contexts in order to see how these miracles demonstrate God's concern for the whole person not only in antiquity but also in our own lives today While Jesus healed people he did not heal everyone Sickness disease and death are still prevalent at least while we await the full manifestation of God's kingdom on earth writes Ascough in the opening chapter However whenever relationships are restored faith is strengthened When people recover from illness we see signs of God's restoration and involvement in our lives Seen from the perspective of faith God can be understood to be working in extraordinary ways in each of our lives Such miracles are signs

of God's restoration of order in a disorderly broken world. Many current popular books on miracles are either anecdotal or refer only peripherally to the biblical texts. This book gives serious attention to understanding Jesus' miracles in their socio-cultural context and then brings them into conversation with our own world. However, while *The Miracles of Jesus* draws upon a wealth of biblical scholarship, it is presented in a readable and accessible style. This is a book for those who want a serious, readable account of the details and implications of Jesus' miracles.
