The Modern Alchemist A Guide To Personal Transformation:

The Modern Alchemist Richard Alan Miller, Iona Miller, 1994-01-01 Phanes fa nays means manifester or revealer and is related to the Greek words light and to shine forth Phanes Press was founded in 1985 to publish quality books on the spiritual philosophical and cosmological traditions of the Western world Since that time we have published 45 books including five volumes of Alexandria a book length journal of cosmology philosophy myth and culture The year 2000 marks our fifteen year anniversary and we are working to bring out more interdisciplinary works including books on creativity psychology literature and the intersections between science spirituality and culture How the stages of the alchemical process relate to psychological and spiritual growth

Imagination and Fantasy in the Middle Ages and Early Modern Time Albrecht Classen, 2020-08-24 The notions of other peoples cultures and natural conditions have always been determined by the epistemology of imagination and fantasy providing much freedom and creativity and yet have also created much fear anxiety and horror In this regard the pre modern world demonstrates striking parallels with our own insofar as the projections of alterity might be different by degrees but they are fundamentally the same by content Dreams illusions projections concepts hopes utopias dystopias desires and emotional attachments are as specific and impactful as the physical environment This volume thus sheds important light on the various lenses used by people in the Middle Ages and the early modern age as to how they came to terms with their perceptions images and notions Previous scholarship focused heavily on the history of mentality and history of emotions whereas here the history of pre modern imagination and fantasy assumes center position Imaginary things are taken seriously because medieval and early modern writers and artists clearly reveal their great significance in their works and their daily lives This approach facilitates a new deep structure analysis of pre modern culture
