The Walking Solution Lee Scott, Michele Stanton, 2020 The Walking Solution offers techniques and coaching cues to turn a low impact easily accessible activity into a fun and challenging workout for clients of every age and ability [Walking](#) John Stanton, 2009-09-01 Walking is something most of us do every day but we should be doing more of it 63% of Canadians aren't getting the recommended amount of daily exercise and it's adding up heart disease, obesity and high blood pressure are all on the rise. But something as simple as taking a few extra steps a day can make a huge difference. Moving more leads to more energy, improved sleep quality and better heart health. And John Stanton knows how to get people moving. As the founder and president of Walking Running Room North America's largest chain of special stores for walkers and runners, he has inspired people across the nation to develop healthier lifestyles one step at a time. *Walking: A Complete Guide to Walking for Fitness, Health and Weight Loss* is the perfect companion for your own journey to good health. With three program categories to fit every type of activity level from non-walkers to avid walkers, there is a program in here for you. In this comprehensive guide, you'll learn how to set realistic goals, design your own training program, find the level of walking that's right for you, choose the best shoes and walking wear for your needs, prevent and treat common injuries, enhance your walking with optimum nutrition. Let John Stanton show you the way to a healthier, happier lifestyle one step at a time. [Fitness Professional's Handbook](#) Edward T. Howley, Dixie L. Dynamic Physical Education for Elementary School Children Aaron Beighle, Robert P. Pangrazi, 2023-09-28 Now in its 20th edition *Dynamic Physical Education for Elementary School Children* continues as a mainstay in the physical education field providing preservice and in-service elementary teachers the foundational knowledge needed to teach quality physical education throughout their career. This comprehensive elementary methods textbook includes physical activities that meet the Dynamic Physical Education standards and outcomes that can be used in elementary physical education classes. New to this edition are QR codes linking readers to over 100 videos showing master teachers using the management strategies, fitness routines, skill instruction and activities described in the book. The text is supplemented by the free interactive website Dynamic PE ASAP which includes a lesson building tool with more than 500 activities, a customizable 36-week yearly plan, free downloadable instructional signs and assessments, and curriculum plans and activity videos. Together the book and website put a complete plan for quality physical education at teachers' fingertips. The book also offers practical teaching tips, case studies of real life situations to spark discussion and instructor resources, an instructor guide, presentation package and test package that make preparing for and teaching a course a breeze. The 20th edition has been updated to reflect the latest knowledge and best practices in physical education including the following: Dynamic Physical Education standards as a framework for a physical education program; Content on equity, diversity, inclusiveness, justice, culturally sensitive pedagogy and trauma informed teaching; A new chapter on racket related skills for tennis, pickleball, handball and badminton; Additional lifetime activities including golf, discs and climbing wall. The 20th edition addresses the topics of equity, diversity, inclusiveness, justice, culturally sensitive pedagogy and trauma informed teaching based on current thinking and literature. Content has been added throughout early chapters to connect the teaching of physical education to issues of equity and justice that are critical for teachers in today's schools. With its emphasis on skill development and the promotion of lifelong healthy activity, *Dynamic Physical Education for Elementary School Children* is highly applicable for both physical educators and classroom teachers. It is an ideal text to support an elementary methods PE course providing the detail that PETE students need. The content is also very accessible to students learning to become elementary education teachers. With this latest edition *Dynamic Physical Education for Elementary School Children* remains the go-to book for both preservice and in-service teachers just as it has been for more than 50 years.
