reveals a city of power intrigue and murder of scientists and investors and a sensual city home of Greta Garbo and the sm rg sbord Its medieval period saw the Vasa dynasty turn a small town into the capital of a dominant European power and a major trading port In the Napoleonic era Stockholm established itself as a center of both technical and social innovation While the city has suffered more than its fair share of misfortune Stockholm s cultural and commercial elite transformed it into a community which now welcomes innovation and spreads the fruits of its achievements far beyond its borders

Tiempo de hoy ,2006-11 **Livres hebdo** ,2010-05 **This Restless Life** Brigid Delaney,2009

We often live in transit shifting between jobs cities and countries trying to build communities in a virtual world but longing maybe before dropping off to sleep at night for some stronger connection The savage playground of speed dating High risk low loyalty workplaces scattered around the world Friendships and love affairs conducted through technology Globalisation and the long boom have changed the way young people love work and travel In This Restless Life journalist Brigid Delaney looks at the impact that hyper mobility and the excesses of consumer culture have had on the restless generation She hears stories from young Australians in the departure lounges of outer London airports at parties in Rome and Sydney in the caf s of Berlin and Paris They feel nation stateless adrift Their affluence in the new economy has come at a cost Having lived the restless life herself fifteen cities over the past fifteen years Delaney laments the loss of the things that for previous generations held life together like romantic love full time permanent work and real world communities But just as the pace of the new economy changed us into restless human beings might the global financial crisis provide this generation with an opportunity to slow down and reassess how it might live
