Wealth Riches And Money:

God and Money Gregory Baumer, John Cortines, 2016-02-25 Two young Harvard MBAs on the fast track to wealth and success tell their story of God's transforming power and how Scripture brought them to the startling conclusion that they should give the majority of their money away to those in need. Packed with compelling case studies, research and practical strategies, *God and Money* offers an honest look at what the Bible says about generous giving. No matter what your salary may be, *God and Money* shows you how you can reap the rewards of radical generosity in your own life. 100% of the author's royalties goes toward Christian ministries focused on spreading the Gospel and providing for those in need. John and Greg realize what everyone should know: that middle class Americans are among the richest people in world history. It's time for Christ followers to understand that God has bigger purposes than increasing our standard of living. He wants us to increase our standard of giving. Randy Alcorn from the Foreword of *God and Money* John Cortines and Gregory Baumer met as Harvard MBA candidates in a men's Bible study and stopped asking "How much should I give" and started asking "How much do I need to keep?" With their top-notch education and rising careers, Cortines and Baumer were guaranteed comfort and security for the rest of their lives. However, when their plans for saving and spending collided with God's purposes for extravagant generosity, they were each compelled to make a life-changing decision that challenges the values held by mainstream America and many Christian commentators. Cortines and Baumer show not only how to radically give but explain how to do so responsibly. Dive into the story and get equipped with the practical tools to: Easily set budgets for spending; Wisely steward your money; Prepare and save for your future home ownership, retirement, higher education, etc. Know what the Bible says about money, tithing and faith; Discern when to give and when not to give. Featuring lessons from the Bible, modern day case studies and practical ways to apply biblical principles no matter what situation you're in, *God and Money* provides an incredible look into what the Bible says about Tithing and Christian giving. Wealth and stewardship; Faith and generosity; Love of money; And so much more. From the parables of the Rich Young Ruler to the Widow's Mite, the Bible shows us that how we manage our money is critical to our relationship with God. God and Money uses these parables and more to teach you to save, spend and steward your money in a biblical way by planting God's purposes at the heart of your practices. Discover the 7 Core Principles of Wealth and Giving. Authors Cortines and Baumer pack 2,350 verses on money into 7 practical principles that can be applied to your life and finances on a daily basis. From shopping for groceries to your first down payment on a home, apply these reliable guidelines with ease and clarity. Everything we own actually belongs to God. Giving should be voluntary, generous, cheerful and needs-based. Giving generously breaks down the power of money over us. And more. Gain Tools to Manage Your Money Wisely. Packed with tables, charts, graphs and a quiz, the applications in *God and Money* are backed with scripture, data, research and clear illustrations to help you discover what it means to honor God with your wealth. *God and Money* will teach you How to set budgets for spending; How to wisely steward your money; How to save

Craig Hill, Earl Pitts, 2001 *True Riches* John Cortines, Gregory Baumer, 2019-06-04 Harvard MBAs John Cortines and Gregory Baumer show readers that peace and contentment are only possible when they invite Jesus on their financial journeys and shift their hearts toward joyful generosity Jesus talked a lot about money He knew that how we think about and choose to use our finances plays a significant role in forming our character Our handling of money can make us more like him full of contentment purpose and freedom or it can cause a tragic separation from God and the joy he offers In *True Riches* John Cortines and Gregory Baumer invite us to explore the words of Jesus and experience the four transformations we must make in our financial journey with Christ moving from pride to gratitude coveting to contentment anxiety to generosity and indifference to love Full of scripture personal stories and practical application *True Riches* offers a simple path away from the empty pursuit of wealth and into deeper relationship with God and a purpose filled life of generosity **Lost and**

Found: Money vs. Riches Roger Lam, 2018-06-05 Roger Lam was faced with a real money problem at a very young age when his birthright the family business was snatched away from him and he developed a secret distrust of parental provision since the age of 14 Money became his biggest hang up and slave driver and the childhood financial trauma triggered a quest for worldly success academically and then in the field of finance fueled by fear and anger for the better part of two decades until he got a divine wake up call In Lost and Found Money vs Riches Roger Lam shares his counterintuitive God orchestrated journey of setting free from the slavery to money by following the countercultural Biblical teachings on wealth and possessions Along the way he had to repeatedly confront and overcome his underdog mindset which was a byproduct of his sense of insecurity Some of the stories are nothing short of supernatural Without a doubt Roger Lam has suffered monetary losses in his lifetime but what he found instead over the course of his journey is of infinite and eternal value By telling his story with great transparency and vulnerability the life lessons that can be extracted from each chapter are potentially transformative and redemptive to our world which has been blinded to awareness of the real truth of provision

toward God Christians often hesitate to talk about money in spiritual contexts but in the gospels Jesus talks more about money than about religious topics like prayer and heaven Money Matters advocates following Jesus s lead in engaging with matters of economy and finance in a faith driven way in both our individual and our corporate lives The authors draw on their contrasting life experiences to offer a well rounded look at money in the twenty first century Paul Stevens who grew up well off in Canada and worked as a carpenter a banker and later a pastor and professor of theology finds a complementary voice in Clive Lim who grew up without money in Singapore and now works there as an entrepreneur and head of a family
