sometimes influencing their purchase decisions or even the way they perceive and see the world. Moreover it has become an Internet brand which can now be regarded to be on an equal level with Amazon eBay or Google. Without doubt Facebook has to be regarded as an important feature of growing inter connectivity which was made possible through the rise and spread of the Internet. The social network enables people to get in touch with each other, find so called friends all over the world and to create a personal profile representing the user within the Facebook network. Facebook's self stated mission is to give people the power to share and make the world more open and connected. Facebook 2011. Of course this mission is not a revolutionary new idea in the World Wide Web as several social networks and micro blogging websites like MySpace, LinkedIn or Twitter show. Still Facebook is the most widely known preferred and fastest growing social network of today's world. As a matter of fact it is also often claimed to be the most influential social network. Brennan Schafer 2010 p 19 of our times.

**Reinventing the Organization** Arthur Yeung, Dave Ulrich, 2019-09-24. Your Company Isn't Fast Enough. Here's How to Change That. The traditional hierarchical organization is dead but what replaces it? Numerous new models the agile organization, the networked organization and holacracy to name a few have emerged but leaders need to know what really works. How do you build an organization that is responsive to fast changing markets? What kind of organization delivers both speed and scale and how do you lead it? Arthur Yeung and Dave Ulrich provide leaders with a much needed blueprint for reinventing the organization. Based on their in depth research at leading Chinese, US and European firms such as Alibaba, Amazon, DiDi, Facebook, Google, Huawei, Supercell and Tencent and drawing from their synthesis of the latest organization research and practice, Yeung and Ulrich explain how to build a new kind of organization a market oriented ecosystem that responds to changing market opportunities with speed and scale. While other books address individual pieces of the puzzle, Reinventing the Organization offers a practical integrated six step framework and looks at all the decisions leaders need to make choosing the right strategies, capabilities, structure, culture, management tools and leadership to deliver radically greater value in fast moving markets. For any leader eager to build a stronger, more responsive organization and for all those in HR, organizational development and consulting who will shape and deliver it, this book provides a much needed roadmap for reinvention.
