**The Social Business Imperative** Clara Shih, 2016-03-25

Social media is now the dominant online activity and drives more website traffic than online search The implications for businesses are as profound as the rise of Google 15 years ago Amidst the demands of running a business it can be alluring to fully delegate digital to the digital team But in today's wired environment digital is actually everyone's job Company leaders and professionals must seek to personally grasp the tectonic changes arising from the always connected customer and then rethink traditional business models business practices and even their own job responsibilities and careers accordingly In *The Social Business Imperative* Silicon Valley entrepreneur and renowned thought leader Clara Shih identifies powerful new opportunities created by social media across the entire customer lifecycle As described in the book's foreword written by Starbucks Chairman and CEO Howard Schultz this guide is a must read for all professionals From boards of directors CEOs and Chief Marketing Officers to front line sales managers recruiters IT and compliance directors no role is untouched by the social mobile digital transformation This book explains how to adapt and thrive in this brilliant new world order by understanding the transformation taking place not only in one's own department but across the customer journey Only with this broader understanding can functional leaders collaborate on delivering a cohesive experience spanning previous organizational silos Going far beyond her global bestseller *The Facebook Era* Shih offers unprecedented insights into why and how traditional organizations must reimagine their existing business processes to capture the digital last mile across social mobile messaging apps Internet of Everything and the collaborative economy Drawing on her immense experience helping Fortune 500 companies operationalize digital transformation to drive measurable uplift in sales and loyalty Shih also presents powerful new case studies spanning multiple industries and companies from Wells Fargo to Warby Parker A book

worth reading a voice worth listening to from a leader of real consequence A clarion call on the promise and potential of social channels to transform business Walter Robb Co CEO Whole Foods Market This is a must read for any business leader who wants to thrive in this time of disruptive change Chip Bergh President CEO Levi Strauss Co Whether you re a global brand small local business or individual who wants to turn your passion into a livelihood this book simply and clearly articulates how to channel the power of social media to delight audiences and grow your business Marne Levine COO of Instagram Almost overnight social media has transformed business and the way we as companies interact with our customers In a way social media has become part of everyone s job Clara s book gets right to the heart of the matter and gets us thinking critically about what could be next on this roller coaster ride Robin Hayes President and CEO JetBlue The power of Clara s book is it highlights not only social media practices but fundamental business practices and how company leaders need to entirely rethink customer engagement models The implications for every business regardless of industry or geography of today s social connected consumer cannot be overstated This book provides a powerful vision and compelling call to action for company leaders everywhere Ted Mathas Chairman and CEO New York Life     The Life-changing Magic of a Little Bit of Mess Kerri Sackville,2022-04-01 The only domestic bible you ll need There is nothing more satisfying than a beautifully organised home say the homeinspo influencers In an era of decluttering gurus cleaning bloggers and aspirational pantries Kerri Sackville has studied the evidence and declared Nah way too much trouble Instead she has embraced domestic imperfection and discovered the life changing magic of letting your standards slip In this her magnum opus Kerri explains why cleanliness is not next to godliness why decluttering is the enemy of joy and why no one cares about your messy bedroom With affirmations for the mess challenged DisarrayIsOkay cleaning hacks that actually work Don t Have Children and recipes for people who hate washing up Step One download a meal delivery app this book will inspire you to tear off those rubber gloves put down the sponge and take a nap Whether you have surrendered in your war on dust or are still bravely fighting for ordered folds in fitted sheets The Life changing Magic of a Little Bit of Mess is a welcome dose of inspo that transports you to the joyous world of imperfection Because no one has ever looked back on their life and wished they d spent more time scrubbing the floors     **The Price of Prosperity** Todd G. Buchholz,2016-06-07 In this bold history and manifesto a former White House director of economic policy exposes the economic political and cultural cracks that wealthy nations face and makes the case for transforming those same vulnerabilities into sources of strength and the foundation of a national renewal America and other developed countries including Germany Japan France and Great Britain are in desperate straits The loss of community a contracting jobs market immigration fears rising globalization and poisonous partisanship the adverse price of unprecedented prosperity are pushing these nations to the brink Acclaimed author economist hedge fund manager and presidential advisor Todd G Buchholz argues that without a sense of common purpose and shared identity nations can collapse The signs are everywhere Reckless financial markets encourage people to gamble with other people s

money A coddling educational culture removes the stigma of underachievement Community traditions such as American Legion cookouts and patriotic parades are derided as corny or jingoistic Newcomers are watched with suspicion and contempt As Buchholz makes clear the United States is not the first country to suffer these fissures In *The Price of Prosperity* he examines the fates of previous empires those that have fallen as well as those extricated from near collapse and the ruins of war thanks to the vision and efforts of strong leaders He then identifies what great leaders do to fend off the forces that tear nations apart Is the loss of empire inevitable No Can a community spirit be restored in the U S and in Europe The answer is a resounding yes We cannot retrieve the jobs of our grandparents but we can embrace uniquely American traditions while building new foundations for growth and change Buchholz offers a roadmap to recovery and calls for a revival of national pride and patriotism to help us come together once again to protect the nation and ensure our future
