The Memoir of Johnny Devine Camille Eide, 2015-12-01 5 Gold Stars Top Pick from RT Book Reviews and 2015 RT Reviewers Choice Nominee Love can't rewrite the pages of your past but it can cover a multitude of sins one page at a time. In 1953 desperation forces war widow Eliza Saunderson to take a job writing the memoir of ex Hollywood heartthrob Johnny Devine. Rumor has it Johnny can seduce anything in a skirt quicker than he can hail a cab. But now the notorious womanizer claims he's born again. And so he seems to be. Eliza soon finds herself falling for the humble grace filled man John has become a man who shows no sign of returning her feelings. No sign that is until she discovers something John never meant for her to see. When Eliza's articles on minority oppression land her on McCarthy's communist hit list both John and Eliza become entangled in a HUAC investigation that threatens both John's book and Eliza's future. To clear her name Eliza must solve a family mystery. She also needs to convince John that real love not the Hollywood illusion can cover a multitude of sins. But just when the hope of love becomes reality a troubling discovery confirms Eliza's worst fears. Like the happy facade many Americans cling to had it all been empty lies. Is there a love she can truly believe in? *The Memoir of Johnny Devine* is a dramatic story within a story of a bad boy reformed and a good girl in need of reform. It's a powerful tale of love, redemption, intrigue and the miracle of deliberate grace. Sharp on point writing immediately engages and makes it difficult to tear one's attention away from this emotionally riveting novel. The romantic tension sizzles nearly from the beginning and readers will often find themselves breathless from the sheer delight of it. RT Book Reviews 5 Gold Stars Top Pick 2015 Reviewers Choice Award Nominee for Inspirational Romance. I love this story. The golden era of movies a Clark Gable bad boy turned good and a woman with a broken heart learning to love again. A beautifully written story of redemption and second chances this Hollywood romance is one that will leave you with hope. A fantastic weekend escape. Susie May Warren RITA and Christy Award winning best selling author of the Christiansen Family series. Film noir and gripping romantic tension leap from the pages of *The Memoir of Johnny Devine* like a perfectly choreographed dance. Camille Eide's writing is poignant and lovely from the first page to the last. Carla Stewart Award winning author of Stardust and A Flying Affair. Combining the romance of classic Hollywood the intrigue of the Cold War era and a stirring spiritual message *The Memoir of Johnny Devine* is unforgettable. Eliza John and all the supporting characters are compelling and Camille Eide's strong and evocative writing brings the story to life. A novel to savor. Sarah Sundin Award winning author of Through Waters Deep. There is not a false beat in this engaging story. Eide has managed to create an intricate plot that flows effortlessly from one page to the next. Full of insight, intrigue, romance and faith *The Memoir of Johnny Devine* is so well constructed it makes me want to go right back to the first page and read it again. Highly recommended. Cindy Kelley Screenwriter co author of Traces of Mercy and Finding Mercy. Camille has written another heartthrob of a novel with an inspiring beat of true love, beauty and grace. *The Memoir of Johnny Devine* takes us from the Golden Age of Hollywood through World War II and into the Red Scare of the early 1950s as

it weaves a story of both despair and redemption It s a page turner literally a one sitting story that I couldn t put down until the very last word Leslie Gould Christy Award winning and 1 bestselling author **When God Calls the Heart to Love** Brian Bird,Michelle Cox,2019-01-01 Discover love in Hope Valley Inspired by best selling author Janette Oke and the Hallmark Channel original TV series When Calls the Heart Brian Bird and Michelle Cox explore the love filled moments from the fictional early 1900s town of Hope Valley Stories of romantic love as well as love between families neighbors and friends will touch your heart and encourage your soul to recognize the potential of love in your life Each of the thirty chapters contains a quote from one of your favorite citizens in Hope Valley a Bible verse a devotional reading a prayer and questions for reflection You ll also find poignant real life stories and love in action ideas for sharing God s love with others Join us on this journey as we focus on tender moments found in Hope Valley When God calls your heart to love something extraordinary is about to happen If We Make It Home Christina Suzann Nelson,2017-09-26 When four college friends graduated from the University of Northwest Oregon their lives stretched before them full of promise and vows to stay connected But life has a way of derailing well laid plans Now they haven t spoken in twenty five years But against all odds three of them have found themselves back in the same place at their alma mater wondering how they got there When they discover their fourth friend Hope has died Jenna Ireland and Vicky decide to embark on a wilderness adventure to honor her memory and for secret reasons of their own Jenna wants to show her husband that she s more than a helpless overweight middle aged empty nester Ireland wants to get back to the nature she loves and hide from the charges being pressed against her And Vicky wants to show she cares for something besides her ministry and put off the disaster waiting at home for as long as possible They never bargained for the dangers they face in an unforgiving wilderness Now they ll have to work together if they hope to make it home alive While the three women fight to survive the elements their toughest battles may be with themselves Swimming in the Deep End Christina Suzann Nelson,2018-09-25 A moving novel entwining the many faces of motherly love Jillian Connors has the perfect daughter loving and smart she s an Olympic hopeful with a bright future But when Gabby becomes pregnant Jillian fears that future is lost Worse she must confront her own secret past and hope the decisions she s made don t drown their whole family Gabby can t believe God let this happen to her She knew the risks but who thinks about that when they re in love Now she has to face the consequences and the disappointed stares from everyone who thought she was the perfect Christian girl At least she has the baby s father Travis Nothing can tear them apart right Margaret Owens had determined dreams for her son She s furious that Gabby s pregnancy jeopardizes his college baseball scholarship and terrified that Travis will be trapped in a life of struggle and poverty the life she s tried so hard to save him from She ll do anything to protect him even if it means forcing him to leave Gabby Stacey Meyers is aching for a child of her own But the son she was meant to adopt was taken before she could hold him in her arms It feels like she ll never stop mourning even the move to this new town hasn t distracted her from the pain How can she and her husband find peace Is there any hope of a
