

Sample character sketch - my friend Liz.

My friend Liz is the most amazing friend anybody could ask for. We've been through so much together, we're basically like sisters. We met on the first day of school in sixth grade, both of us terrified by the massive size of the middle school. She had the locker right above mine. I told her I didn't know anybody in our class and she said "You do now." We've been friends ever since.

Most boys think Liz is cute. She has long red hair, cascading over her shoulders. She laughs about everything and when she does, you see about a hundred white teeth - so bright, you almost need sunglasses. When she laughs, her eyes grow wide, glowing emerald green. Liz likes to dress kind of skater-ish, in camouflage pants, sweatshirts, and wristbands. But, she's unpredictable, too. Sometimes she'll wear overalls or a fancy dress. She must have three closets full of clothes, because she barely ever wears the same outfit twice.

Liz is the most lively, animated character I've ever known. She's always rushing around, trying to get the latest scoop on everybody. It's like she's in the FBI. Right before she shares important news, Liz tosses back her hair, takes a deep breath, and quickly looks side to side, to be sure the coast is clear. She never says anything mean about people, she just wants to know what's going on.

She always supports me in everything I want to do. Not many girls in our group of friends play sports, but when I told Liz I wanted to go out for basketball, she said "Go for it." Now, she comes to see almost every game I play and cheer me on.

Not only is Liz a tremendous supporter, she also trusts me to give her my honest opinion and to say what I feel. Last year, she thought Mrs. Jones gave her a lower math grade than she deserved. I told her the truth - that Liz handed everything in late and what did she expect? Next marking period, Liz got her work in on time, and pulled off an A-. Thanks to me, she said. Liz is a wonderful listener. She lets me tell her all my problems and she never diminishes the importance of my worries. I can tell she's really listening, too, because she looks directly in my eyes the whole time, like she's trying to see inside my head and figure me out.

We don't always agree on everything, and sometimes we even fight like sisters. But, in the end, we always stick together.

the Roundhead and the Cavalier By the era of the Enlightenment however moral philosophy's long association with the character sketch began to break down A different approach to philosophy took hold one that spurned literary descriptions of manners mores and types and instead emphasized the principles underlying knowledge itself This shift in turn helped to drive a broader separation between literature and philosophy A revealing intellectual history The Character Sketch as Philosophy also encourages us to consider what literary description might contribute to ethics and political thought today and to think critically about the kinds of character sketches on which we still rely from the snob to the mansplainer *How To Write Comedy* Tony Kirwood,2014-05-01 First you have to come out with a flow of ideas and decide which ones will work Then you must give them a tight structure and then write crisp dialogue which builds in constant laughs This practical but inspirational book guides new and more experienced writers step by step through the process of each comedy genre It gives space for your creativity to shine as you gradually build your skills Beginning with sketches the basic building blocks of comedy you'll find how you can quickly create great premises and then structure them into two minute slices of hilarity The same techniques will help you write a string of jokes and one liners A practical guide to comedy as you write it from creating mindmaps from which to glean your new material to techniques of structure characterisation and dialogue which work Covers the distinct techniques and mindsets needed by each genre in turn in the usual progression of a writer's career from jokes and sketches to sitcoms You'll also learn how to find outlets for your work from submitting to the BBC to staging your own show or filming comedy for the internet *The book of snobs.
